Our Innovation Coordinator Sarah has been working hard on her Make-A-Thon event (Feb 28th 3-6pm Live Oak Ballroom) where students will compete to create a sustainable design for a community park at the Greenspace where old Trevor Colbourn Hall was, there will be food and prizes and the winning team will work with Landscaping and Natural Resources to implement their design.
- Finance Office:
 - We have finished our audit of the Student Union and we created one formal recommendation as follows:
 - The Finance Office would like for the Student Union's "Study Union" program to partner with the Executive Cabinet's "Kram for the Exam" program during finals week in order to encourage collaboration and effectively reach more students throughout the entire campus.
 - The next entity the Finance Office will be auditing is the Legislative Branch.
- Our Academic Affairs Coordinator Diego will be setting up a meeting with SU Director Rick Falco to discuss these plans in order to provide a better experience for our students starting with this semester's finals week.
