 - ◆ Greetings Senate,
I hope you all have been having a great first week back. Over the break, I had a chance to work on a couple of initiatives that can benefit us all. The first one is a cheat sheet for upcoming Chairs that was inspired by former Senator Appline. The second one is a cheat sheet for Vice Chairs. Student Assistant Samson will be adding them to the drive in the near future for those who might need them.
 - ◆ I am very excited to introduce the “Legislative Leader” point system. It is pretty much a fun little initiative that allows you to accumulate points for participating in different legislative measures. You can amass points over the course of every month and whoever has the greatest amount of points at the end of the month will be receiving a gift card. I have attached the link below, please take a moment to look over it and see what you can do to score a gift card if you would like.

 - ◆ Lastly, If you have any legislative initiatives you wish to work during the summer, please click on the link below to schedule a meeting with me.(if you wish) Feel free to DM me as well. I would love to assist you with the process! <https://calendly.com/strochenide/legislative-initiatives>
