   a. Kaltenbaugh: Need an ORS rep! Good starting position if you want to rise up in senate leadership.
   b. St. Preux: Submit legislation on time, adopting legislation in committee should be a last minute resort. Communicate senate initiatives to Pro Temp's office. Please do financial training. Two weeks left in the summer semester to do initiatives.

   c. Resolutions-

10. New Business:
    a. Allocations-
       i. 52-609
          1. Title, conference, and registration is all TBD. This was for future conferences. Thinking they could get money first. To get funded, you must have the conference date, time, and costs concrete. Should PPI this allocation. Would like debate from committee members.
          2. Koppu: If we kill the allocation, can they request money from something else?
          3. Millington: They can come back when they know official details.
          4. Koppu: Believes this should be PPI'd.
          5. Tutt: Agrees this should be PPI'd because the form wasn't filed out properly.

7. St. Preux: Did you reach out to the individual?

10. Block: Is this person assigned to a Senator to explain the funding process?
11. Millington: Individuals don't get assigned a Senator like RSOs.
