- b. We have two chairs vacant in EC and we have been encouraging people to apply. We have already received 5 different applications. If you guys want to recommend more people to apply, that would be great. The application is on Knight connect
 - c. We have officially moved our meeting time to Mondays at 2:30 and they will be held in the Black and Gold room. I encourage any members to come to the meetings if they wish
 - d. I will share the rest of my announcements later since you guys have to get to Title VI
8. Old Business:
9. New Business:
- a. Title VI suggestions and ideas
 - i. Moscol: 606.19 There are some technicals and mistakes to Title VI that we have to fix as a committee, let us focus on that right now. What would you guys like to see change in that?
 - ii. Bonefont: Is it worth considering it in terms of senatorial and presidential ones since the timeline seems a little lengthy? Should we consider a shorter timeline?
 - iii. Rutledge: The 6 (3) does not make any sense but we could probably lower the 3 to 2.
 - iv. Moscol: I do see what you are saying. Should the timeline be different for senatorial and presidential elections?
 - v. Appline: I feel like 3 days is too much. I feel like 3 is the perfect medium.
 - vi. Bonefont: Considering the fact that UCF has different campuses, is two days enough for candidates to follow up on violations? I don't want people being punished because they can't make the meetings
 - vii. Rutledge: I think we should rewrite the clause where it says 5 school days but no earlier than 2 school days. 3 days after you get notified is pretty reasonable and gives good flexibility to EC to follow up.
 - viii. Bonefont: I can see that but from what I understand you would have the two days because it takes basically a day to get notified and get ready to come to EC
 - ix. Committee: "Within 5 but no earlier than 3 school days"
 - x. Moscol: We are gonna go in depth with the suggestions brought up next meeting.
 - xi. Moscol: We will now be looking at 606.9
 - xii. Lytle: The sum of all tiers as to what was actually taken into account. For Example: if they violate tier 2 and tier 3 then they are the sum of 2 and 3. When it was written it was more so that it would be up to the discretion of EC
 - xiii. Wilson: I read it ass that as well but it could also be read as if you violate tier 1 or tier 2 normally that should be a campaign limitation of up to 4 days, which means that you could also get a violation for tier 3 and tier 4 as well. An easy change would be the sum of all tiers.
 - xiv. Appline: I read it as if violate something in tier 1 and tier 3 then I get a punishment for everything. Something to change it with would be all tiers and tiers that you violated it in would make more sense
 - xv. Bonefont: Basically just adding violated makes sense
 - xvi. Appline: It needs more in depth explanations because it could be interpreted in so many ways.

- xvii. Moscol: We have to word it differently, maybe add more sentences to make it clearer
- xviii. Lyttle: I think adding “all tiers found violated” would make more sense
- xix. Wilson: Instead of saying “sum” could we use “the inclusion” instead?
- xx. “If a candidate is found in violation of multiple tiers, the punishment will be the sum of each violated tier”
- xxi. Lytle: 601.3D There needs to be an assistant Supervisor of Election. At this point in time we don’t have one, but we should have had one already.
- xxii. Bonefont: It would be useful to include a time limit to enforce the availability of the assistant of the supervisor.

10. Member Discussion:

11. Miscellaneous Business:

a. Vice chair elections

i. Nominations: Senator St.Preux and Senator Rutledge

1. Senator Rutledge:

- a. Running for Vice chair because I have met with Austin Wilson about the election commission and how E&A should work and help them with the process. Want to have an open line communication with Election Commission. Do want members in this committee to sit and listen in towards their meetings with election commission. We should articulate the points we make with the appointees when they come towards the floor. Want the members to have an understanding of title 6.

2. Senator St.Preux:

- a. Focus on title 6 is my main priority moving forward. Would like to assist the chair in the modifications of title 6 preparations of the upcoming presidential elections. Would like to also aid in committee members towards clarification to what is needed to know about title 6 and also record each meeting and go in detail with the meetings. Great atmosphere to bring new people to student government.

3. Questioning:

- a. Custis: How will you guys resolve conflicts with the chair?
 - i. St Preux: Have a good relationship with Moscol and to resolve conflicts with one another, I would let him know and understand that he has the last say and talk and understand his decision.
 - ii. Rutledge: I like to solve conflicts by talking to people face to face. It brings a complete understanding of what to do and solve.

4. Debate:

- a. Appline: St Preux does know what she is doing and I feel like she will be perfect for Vice Chair

ii. Vote count: 0-8-0 St Preux

1. x-y-z-a

12. Final Roll Call: Same as initial minus 2

13. Adjournment: 4:57 PM
