1. Speech: I am a junior here at UCF, currently trying to get into the position of senator of CHIPS. I want to raise awareness for what advising does, also for the professional health-related clubs so that students can get as much help as they need. I want to do an RSO expo, to my knowledge, there is only one during the fall semester. I have never been in a student government position, but I do have experience in the fraternity that I am in right now, I was on the disciplinary board and I am willing to learn what I need to
2. Questioning:
 - a. Appline: What are your statutory requirements? Our dean meeting is Feb 13th.
 - i. Diversity training, financial training, attend the different retreats that they hold
 - b. Regan: What are 5 of the senate committees?
 - i. FAO, CRT, ORS, GAP, AND LJR
 - c. Regan: What senate committee would you like to sit on and why?:
 - i. I would like to sit on E&A to make sure the right people get the right jobs
 - d. Appline: What would your CHPS name be?
 - i. Joserrito
 - e. Moscol: What initiative are you most excited about?
 - i. I am really excited about getting the expo out there for people to learn what is out there so that they can add helpful resources to their resumes and also make connections
 - f. Correa-Ferro: What are you looking to get out of the student government?
 - i. The reason I decided to do this is that I was looking to get out of my comfort zone and develop professionally
 - g. St Preux:
 - i. "Never Give Up", i never quit on anything, and although I have had failures before, I am determined not to give up
3. Debate:
 - a. Appline: I urge everyone to vote highly in favor, but make sure that you are not doing that simply because of your resume
 - b. Regan: He seems great, I like his initiatives, I had similar ones, and I urge everyone to vote in favor
4. Vote Count: 9-0-0
- ii. Mitchell Shave - COBA Seat 5
 1. Speech: I am majoring in Finance. I am in the surf team and in the tennis club. I enjoy meeting new people and camaraderie
 2. Questioning:
 - a. Regan: What are three of your statutory requirements?:
 - i. Diversity training, financial training, senate retreats

- b. Regan: What are the 7 senate committees?
 - i. FAO, CRT, ORS, E&A, LJR, GAP, SBA (7/7)
 - c. Regan: Which senate committee would you like to join and why?
 - i. CRT or FAO
 - d. Correa-Ferro: What are you looking to accomplish in student government?
 - i. I would like to give individuals who need a voice since there are so many people in this university
 - e. Moscol: What initiative are you most excited about?
 - i. The REAL mitigation. There is a 30% tuition increase that needs to happen. I think it unfair to staff to be going beyond their salary and also unfair for students to not be getting the education they should
 - f. Moscol: What has been your biggest achievement in college, and how would you bring your experience to SGA?
 - i. It would be more so independence and learning about who I am. Learning how to be an adult and adjust.
3. Debate:
- a. Correa-Ferro: I urge everyone to vote in favor, he was very inquisitive when he first came in, I think he is going to accomplish what he set to
 - b. Name: I know Mitchell because of the SGLC program, he has put a lot of thoughts, and one a lot of research, and I think he will be a great addition to senate. I urge everyone to vote in favor
4. Vote Count: 9-0-0
- b. Internal Bill 52-07
 - i. Discussion
 - ii. O'blenis: Move to go to informal
 - iii. Discussion debrief: We should keep 601.1a as it is, because the role should be earned and not automatically given. 601.1c makes sense and we are going to move forward with it. The interim phase is causing more problems rather than alleviating the issues. Making it so that the interim supervisor can appoint an interim assistant makes things even more complicated.
 - iv. Regan: Seeing how things are going with this bill in committee, it is probably not going to do anything on the floor, I would rather PPI it
 - v. Correa-Ferro: I see your point
 - vi. Regan: Move to PPI internal bill 52-07
 - vii. Vote account: 6-0-1 Passed Favorably
 - c. Title VI
 - i. Alhaddad: Move to go to informal
 - ii. Alhaddad: I did not look too deeply into this. We need to start doing something with grammar structure

- iii. Appline: I was not here last week, I don't really have anything to add. Commissioners that are looking the other way should be held accountable.
 - iv. Cruz: If it is not broken, do not fix it.
 - v. Foster: There are a few dates that were changed, like 7 to 5 days, why were these changes made?
 - vi. Lopez: Absent
 - vii. Correa-Ferro: I was looking at the sanctions and saw some interesting things in there. The definition of campaign materials is redundant; we could correct the diction, strike it 606.5 - 606.8; reduce the redundancy, and make these statutes clearer to understand
 - viii. Selma: Absent
 - ix. O'Blenis: The main issue that I have is with the term of The Supervisor of Elections. 601.1c; to bring a bit more of a fair representation, we should incorporate a certain amount of seats for the downtown students, so that we can find people who live that experience represent the downtown students in Student Government. We also need methods to hold presidential candidates accountable to reach out to students who go to the regional campuses
 - x. Regan: 604.9; the whole thing needs to be re-written. We should update the sanctions but not the definitions
 - xi. Correa-Ferro: Move to go back to formal; GC
10. Member Discussion:
- a. Correa-Ferro: Please say no comment if you are approached tonight, it is going to be very intense, please redirect all requests for comments to the responsible parties
11. Miscellaneous Business: none

13. Adjournment: 4:18 PM
