8. Old Business:
  - a. None
9. New Business:
  - a. Internal Bill 52-14 (Updates to Title VI)
    - i. St Preux: I think that there is concern in regards to filling 16 commission seats but that is a problem down the road. I think that having more commissioners will be beneficial though.
    - ii. Vote: 3-0-1, Bill passes
10. Member Discussion:
  - a. O'Blenis: The chair is going to have his work cut out for him to recruit members to E&A and facilitate lots of confirmations. We as a committee need to increase senator engagement. We see plenty of examples of saying one thing and, doing or not doing, an action. We have lots of confirmations coming through and we need to have more members to properly facilitate these confirmations.
  - b. Correa-Ferro: We will be actively recruiting members to join senate and working with the executive branch to fill seats.
  - c. O'Blenis: How will executive confirmations be going?
  - d. Correa-Ferro: President La Rosa will be making the appointments for cabinet tonight and 7 of them will be seen next week, and 7 the following week. DPT St. Preux has been working on formulating questions for cabinet confirmations.
11. Miscellaneous Business:
  - a. Chair Elections
    - i. Nominations:
      1. Jose Maldonado
    - ii. Elections:
      1. St Preux: How do you plan to handle confirmations for cabinet members? What is your method for addressing cabinet confirmations?

2. Maldonado: Moscol will be joining E&A next week. This position was thrown on me, I was not expecting to run for it. I will try to learn how the process is usually conducted.
3. St Preux: Can you give an example of a time that you were unbiased?
4. Maldonado: I felt that I did something wrong and I put a motion forward to address my misconduct within the organization. The rules apply to everyone.
5. Regan: What is your leadership style?
6. Maldonado: I like to see the path that we are headed down. I don't know too much about this position but I have been in contact with DPT Moscol and Pro Tempore Correa-Ferro about how to complete this job.
7. St. Preux: What are some goals that you have as chair?
8. Maldonado: To increase membership on E&A. I would like to see this committee expand.
9. O'Blenis: I think that E&A has a lot of work ahead of itself in terms of legislation, confirmations, and membership. At the end of the day, E&A is one of the most important internal committees and it hurts to see us at a low membership.

iii. MTV: 3-0-1, Jose Maldonado is the Chair of E&A
