d. Resolution 52-04

i. Affordable Housing for UCF - Atiyah Appline

1. Desai: I believe that the purpose of this resolution is to have off campus apartment prices capped or increase at a slower rate
2. Slaughter: I believe that the resolution should have more of a direction. Right now it gives numbers, but no clear goal
3. Gross: The resolution doesn't ask for anything
4. We don't know if she wants to urge the city or urge the university about this
5. Bonefont: We should discuss more about the government portion relating to this resolution and let SBA discuss how this affects the student body
6. Gross: This affects us because of the legislation and how it will be presented to elected officials.
7. Chair Galloway: I fail to see how government officials can have a direct impact on the resolution
8. Hyman: Is it possible for the city council to set caps for rent?
9. Theoretically, but no one is very well informed on the issue
10. Slaughter: I recommend that we take out some of the basic information that doesn't pertain directly to the resolution
