 1. Sophomore at the time of the request.
 2. Quote: So it was just a big confusion for me. I really wanted to go to the conference and I submitted all the forms necessary. It was also during the time of summer going to fall when school was closed. After I talked to the accountant and submitted all the forms, he told me he would contact me again to buy airline tickets and lodging. I was waiting for it but I never got an email. It also took longer for me because I am an international student. Time got closer and closer and the conference passed and I thought I couldn't make it anymore. At that time, the price of tickets had also gone up and I would have had to pay extra.
 3. Sen. Said: What was his reversion?
 4. Chair Flynn: He reverted 100%. Application process not completed.
 5. VC Oquendo: When he states it was during "the summer going to fall when school was closed", what does he mean?
 6. Chair Flynn: What he put on KnightConnect was August 9th.
 7. Sen. Said: When did he submit his form?
 8. Chair Flynn: July 11th
