 1. Senator Communication: 5/5
 2. Suggestions: none
 3. Move to approve
 - a. 4-0-0
 - ii. CRT52-176: CRT Allocation for Graduate Writers Association
 1. Senator Communication: 3/5
 2. Suggestions:
 - a. Every senator my organization communicated with before and after our paperwork got lost in the system was very nice. However, I wish there had been more communication about where needed forms were to be found and what pieces of information were needed before a representative from an RSO files a form or meets with a senator, accountant, etc.
 - b. Instructions about the process often made it sound like the forms would be emailed to our RSO's representative after the initial funding approval occurred when they were actually in Knights Connect. Miscommunications between offices (accountants, ORS, and SGA) also created clarity issues as individuals within those offices often gave incorrect information and/or unclear instructions about how the other offices and their paperwork worked. There were also several times when my RSO ran into the issue of having the proper information but not having it on a specific form because we were never notified that such a form existed.
 - c. I suggest that the instructions given to RSOs be reviewed for potential misunderstandings and that the names and locations of all needed forms be clarified.
 3. Move to approve:
 - i. 3-0-0
 - iii. CRT52-500: CRT Allocation for [REDACTED]
 1. Senator Communication: 5/5

- vi. SB52-036: Senate Bill for KnightRaas
 1. Senator Communication: 4/5
 2. Suggestions:
 - a. We were unclear about the rule that the bill will only be funded if the total spending cost is ABOVE \$4000 (and the senate contribution has to be above \$2000). We were unaware of this point and so we had to re-structure our entire bill to meet this requirement.
 - b. Have a more clear timeline (or provide it for the RSO's when they come into CRT to discuss their bill). It would have been nice to know the difference between first reading, second reading, and third reading. Also, maybe give us an update about when the bill will be signed by SDES vice president and SGA president.
 - c. Give an update about the bill and when it signed by SDES Vice president and SGA president
 3. We should recognize the senators that have good reviews on the post funding forms during committee announcements
