- a. Chair Desai: I'll be sending a mass email to those who signed up to receive information from SG. From there, I'll assign committee members.
- Resolution 52-33 to Urge UCF to become a True Smoke and Vape Free Campus
    - Questioning
      - N/A
    - Debate
      - Move to Postpone
    - Vote Count:
      - 11-0-0; Resolution postponed
  - Resolution 52-39 Resolution Encouraging the University of Central Florida to Adopt Course SYG 2010 Social Problems as a Gordon Rule Requirement
    - Questioning
      - Senator Radtke: Will there be anything in place to encourage non-Black students to take these classes?
        - a. Chair Desai: The amount of students that might take these classes is pretty low, but the reason we want these included as GEP and Gordon Rule courses is so that students can fulfill requirements while completing the courses. Students would be incentivized to take these in order to fulfill graduation requirements.
    - Debate
      - Senator Barros: I really like how this turned out. Issues that were addressed last week have been taken care of, such as discussions with administration. This is more specific, and I think this a great resolution. I'll be voting in favor.
      - DPT Custis: I'll be in favor. I worked with ayan on this, and I think the concerns brought to the floor last week have been addressed.

- Chair Bonachea: I looked over the resolution and the changes, and I think it's good. However, I don't think it's wise to list out specific courses, since sometimes courses aren't always available. I think it should be more broad.
- Senator Ahkmetov: I have hesitations on some of the courses that have prerequisites.
- Chair Bonachea: Looking at the GEP sheet, there are some advanced courses listed that have prerequisites. I don't think having advanced courses should be too much of a problem.
- Senator Artwell: I think we should include more information about the other courses as well, in addition to SYG2010.
- Amendments: Chair Desai/DSR Custis: 11-0-0
