- **Announcements from the Student Body President (Meg Hall, [sga\\_pres@ucf.edu](mailto:sga_pres@ucf.edu))**
  - Good evening everyone, It is so exciting to see you all here tonight!
  - This past weekend Austin and I traveled to Polytechnic University in Lakeland and attended the first in-person Florida Student Association meeting of the year.
  - During this meeting I successfully ran for the position of Internal-Vice-Chair and will be leading FSA strategic planning, social media, and outreach efforts for this coming year.
  - Additionally - I have exciting news, we will be hosting the next FSA meeting here at UCF on Saturday, June 19th. Please be on the lookout for more information regarding programming for the visiting student body presidents.
  - This Monday we held our first Branch Head Meeting, and met with university officials including Kevin Sowers, Director of Business Services and Rick Falco, the Director of the Student Union to discuss the implementation of several platform points.
- **Announcements from the Student Body Vice President (Austin Wilson, [sga\\_vp@ucf.edu](mailto:sga_vp@ucf.edu))**
  - Good evening Senate, I hope everyone has had a good week and that those who are taking Summer classes are maintaining a healthy balance. In order to better represent the various agencies and departments that are supported by Student Government I want to take some time with my announcements in making the Senate aware of various involvement opportunities for yourselves or your constituents.
    - Rec and Wellness Center is currently looking to hire certified lifeguards. The requirements and application can be found by searching [bit.ly/RWCLifeguard](http://bit.ly/RWCLifeguard). You must have American Red Cross Lifeguard Certification alongside CPR, AED and First Aid certifications
    - Volunteer UCF has opened Committee Member applications which can be found on Knight Connect and close June 21st.
  - I will make sure to update you all next week of any other opportunities I find or am made aware of.
  - Myself and President Hall also continued to meet with various individuals across leadership roles in as she mentioned with areas such as the Student Union, Business Services, and was also graciously invited to attend by Speaker Anunobi an introduction meeting with UCF PD.
  - Involvement Shirts arrived which were ordered by the previous administration and are available for interested Students starting Tuesday (Show Example).
  - We are appreciative of E&A's efforts in ensuring a smooth confirmation process so far and look forward to seeing the first round of appointees go through the full Senate tonight. Personally speaking I know that the individuals are excited for the opportunity to share their love for UCF and their ideas on how to make this campus a better place for all students. With that, I would be happy to take any questions about my report. Thank you.

  - Good evening Senate! I hope you all are doing well! I'd like to address something I noticed earlier in a meeting this week. I hope you all understand you were either elected or appointed & confirmed to this position by your constituents or through the SG Pres.

because they see value in you, what you have to offer and trust you. It is completely voluntary to be here: this is not required for any major nor is it a graduation requirement. We, as SG, are here to represent over 70,000 students with different interests, goals, initiatives, and passions. If you do not feel this is a place for you or need to talk about some concerns you have, please schedule a meeting to talk to me or message me. In my role, I am constantly reaching out and inviting administration, guests, and students to come into Senate Floor & Committee meetings to watch and it would be very unprofessional to have senators, who chose to be in these meetings, publicly complain in an inappropriate manner. If you need to take a break, please motion for a recess so you can recollect yourself and put your best foot forward. If you need to switch committees, please email me, and given space, I can help you switch. Floor & committee meetings are not purposefully long and leadership and myself try our best to ensure productive, efficient meetings while making sure students' voices and concerns are heard and addressed. Each senator represents 1,000 students and your actions, behaviors, and reactions are a reflection of yourself and your constituents. I do not mean to scare you, nor am I saying you cannot be upset or frustrated, but I have noticed some behavior that is quite inappropriate and ask for your utmost respect for the sake of your constituents, fellow senators, leadership, administrators, guests, and university. I ask you find appropriate, respectful, and professional ways of channeling your frustration, anger, or concerns and if you need any help, I am always here to assist.

- Dean Meetings
  - Please do not forget the importance of your Dean Meetings, they are incredible opportunities for you to discuss the concerns, suggestions, and ideas of you and your constituents! Please make sure you communicate with ELA Gonzalez and respond to any messages she sends. Any times posted in the minutes are final and it becomes your responsibility to mark them in your calendars and attend. If you cannot attend, you are expected to fill out the Absence Request Form on Knight Connect.
- Initiatives Updates
  - Area 1: Outreach
    - Meetings w/ Interim DEI Officer Dr. Butler, Chief Metzger, Deputy Chief Zambri, SU Director Falco, and soon OSI Director Juntunen.
    - SBA mentioned labeling and I have mentioned it in Senate Exec to discuss ways we can showcase Senate committees with fun activities and promotional items
  - Area 2: Senate Body
    - Polo & Promo!
      - Please make sure you are handed these items from the Speaker's or the Pro Temp's Office so we can mark you off as received and meet with you! If you arrive at the front desk, ask them to direct you to the Speaker's Office!
      - At this moment I have XS, L, XL, & 2XL sizes, more to come soon!
      - Also, feel free to come back for another SG shirt if you already came (:
  - Area 4: Branch Relations
    - Most of the meetings mentioned earlier were w/ SG Pres. Hall & VP Wilson and they went well!
    - 1st Branch Head Meeting was this past Monday at 1:30PM. Went very well and discussed topics including FSA, where Pres. Hall is on their E-Board & the SG Appointment Process
    - SG Pres. Hall has required Cabinet to attend diversity trainings, we all can introduce and familiarize ourselves while working on learning and understanding different populations on campus
    - I will be reaching out to agencies and departments to have them come into Open Forum to discuss ways we can be involved, stay on the lookout!
- **Internal Legislative Assistant Report (Hannah Huerta, [sgaila@ucf.edu](mailto:sgaila@ucf.edu))**
  - Hey everyone!! Happy 2nd senate of the summer session. I sent an email to O-Team regarding collaboration between us and them in order to spread the word about sglc, waiting to hear back. Currently working on having SGLC applications up by June 28th. Have a great week!
- **External Legislative Assistant Report (Aliyah Gonzalez, [sgaela@ucf.edu](mailto:sgaela@ucf.edu))**
  - Greetings Senate! I hope all is well. I have a few things that I will like to discuss with you all
  - Dean Meeting Expectations:
    - Please be attentive in your respective College GroupMe chat and respond in a timely fashion. This is the main forum where I will be communicating with you all for matters pertaining to your college and Dean Meeting.
    - Once your Dean Meeting is officially announced and confirmed on the Senate Floor in my announcements, it is your responsibility to be aware of the date and time that your Dean Meeting is occurring. I am managing 13 colleges and I need you all to do your part. There are multiple ways that I am constantly communicating this with you all, so there really is no excuse.
    - Please be mindful and respectful of the deadline set in place for the agenda of your Dean Meeting. You are representing 1,000 students in your college. It is unacceptable for you to not put forth any commentary regarding initiative and/or student concerns, since you are advocating for these students
    - If you cannot attend your Dean Meeting, please be respectful of my time, the Dean's time, and your fellow Senators time. I understand emergencies happen, but conflicts pertaining to school, work, etc are known and should be communicated in advance. If you cannot attend the Dean Meeting and you inform me of such, make sure you fill out the Knight Connect form, so that your absence can be reviewed for approval or denial.

  - Senate Roundup:
    - An edition was not published this past week, due to not having enough information to put in it. Considering all the great work everyone will be doing in tonight's meeting, an edition will be published and distributed early next week
    - I am collaborating with DSR Magdadaro, Speaker Anunobi, and Pro Tempore Slaughter to include new additions to Senate Roundup pertaining to Senate recognition for involvement, advocacy, and leadership. Once we establish the names of the awards and merit of them, I will provide more details on that! I am also adding a new segment of Senate Roundup called RSO Spotlight, to provide you all with a chance to further connect with your RSOs beyond the funding policy and recognize RSOs for their extraordinary work. Once the Knight connect form for that is published, I will announce more details pertaining to that

- **Deputy Pro Tempore of Legislative Affairs Report (Lauren Bonfont, [sga\\_dleg@ucf.edu](mailto:sga_dleg@ucf.edu))**
  - I have begun scheduling 1:1 meetings about legislative initiatives, I'll be reaching out to ~10 senators per week so I can have time in my schedule. Of course my email inbox is always open, you don't have to wait for me to contact you. [sga\\_dleg@ucf.edu](mailto:sga_dleg@ucf.edu)
  - The first legislation workshop will be focused towards first-time legislation writers, so please submit any relevant questions you may have so I can incorporate them.
  - Approved several pieces of legislation this week. Referred one piece of legislation to Pro Temp Slaughter. Excited about all of the legislative initiatives I've discussed so far.
  - Several pieces of legislation were adopted in committee.

  - I am giving new senators the opportunity to have a mentor, as well as returning senators the opportunity to be a mentor. If you're interested in that, please use [this form](#) to sign up!
  - Lastly, if you need to reach me, don't hesitate to [set up a meeting](#) with me or simply email me at [sgadsr@ucf.edu](mailto:sgadsr@ucf.edu)!

  - In committee we adopted the 2021-2022 Fiscal Probation Policy resolution. It passed in committee 5-0-0. The document is almost completely the same to last sessions besides the changes in session/time. The reason there was little to no change is

because this document serves as the guidelines for sanctioning and what fiscal probation entails, by outlining the responsibilities of the ORS committee and its monitoring of allocations.

- We have open seats and I encourage anyone to join !
- Lastly, we debated as a committee today about the amount we should fund towards the RSO's for the 2021-2022 fiscal year. The allocation amount is going to be outlined in an internal bill that should be seeing the floor for a second read next week.
