I possess the skills needed and achieved the highest level of student engagement by listening to students' concerns. I want to create a panel with advisors that answers questions concerning scholarship questions, and a Q/A session biweekly. I want to promote this by social media and a weekly newsletter sent out to students. I want to have tabling with qr codes and I want to promote corq, which is an app that has reminders for all activities and gets an alert 30 minutes before events.
