 - Good evening Senate! I hope you all are doing well & staying safe!
 - I met with individuals regarding the GroupMe incident to discuss plans of actions and how we can improve and prevent future instances from happening. I would like to remind everyone that motions, legislation, and comments should not be made with ill-intention and are not designed to be made for ill-intentioned purposes. All senators are free to make any motion they would like and anyone is able to debate and vote accordingly. No one should feel ridiculed, shamed, or embarrassed for any motion made as we should all be doing so in good faith & on behalf of our constituents. We are here as a collective body to advocate and support the voices of all students on campus, which can be expressed in a multitude of ways. I want to remind everyone to be cautious of what you say, how it can be received, and who you are conversing with. With such a large & diverse group of students, it is very difficult to understand and distinguish tone. What you think you are saying may not be what is interpreted and understood, so please be careful when referring to people, especially in public settings. I strongly urge everyone to stay in the meeting! Please, do not leave the meeting to make messages in GroupMe or any public form. You are expected to be present for the entirety of the meeting. I understand other responsibilities may arise, which leaves me to trust you to make good judgement on what matters are appropriate to leave the meeting and what matters are not. At the beginning of this session, we all attended Senate Orientation to discuss the responsibilities and duties each of us have. I recognize that this information was not easily digestible and I am working with the Speaker's Office, Pro Tempore's Office, & Brodie to create a Robert's Rules Parliamentary Procedure Leadership Seminar to streamline the formalities of Committee, Caucus, & Senate Floor Business in the Fall semester. Please reach out to me with any questions, comments, and/or concerns.

 - Hi Senate! A couple of different announcements from me:
 - Media
 - In an effort to provide more outreach and advertisement for our committees, Committee Leadership, please submit a brief synopsis regarding information about your committee and what your committee can do for the student body. If there are any pertinent forms, surveys, documents, etc that are significant and relevant to your committee, I highly recommend including a QR Code for it with the submission. The deadline to submit this information to me via email is JULY 12TH AT 4:00PM! This information will be used to create and post an Instagram Story highlight for every committee and for the creation of trifold boards that your committee will use for tabling.
 - I am also requesting that all committees also devise frequently asked questions and answers specific to their committee. This will be shared on the SG Website and through polling on our SG Instagram to further spread awareness about what our committees do! We are hoping to run polls regularly and will offer prizes for the first correct response, which is super exciting! The deadline to submit this information to me via email is JULY 14TH AT 4:00PM! Shoutout to the ORS Committee for already submitting their Committee information and FAQs!
 - Once all of the following information is gathered from the committees, I will assign a deadline for the Caucus Leadership to do the same.
 - I am also working with the Comms Team to coordinate a Live Q&A for each committee, so that students can engage with your committee and ask questions that they may have!
 - Senate Awards will be shared in both Senate Round Up and on the SG Instagram. Please fill out the [form](#) to provide me with some information about you for the monthly awards!
 - Events
 - I will be working alongside the Outreach Coordinator and the new External Assistant Chief Justice to plan SG Cross Branch bonding events after the Diversity Seminars. I will be sending a google form soon to get an idea of what kind of events you all will be interested in. The first event will be for the next Diversity Training on September 3rd and I am hoping to extend the bonding event invitation to the offices that are hosting the events to further our relations with them.
 - I am working on scheduling a Chat with the Committees’ and Converse with the Caucuses to connect with students and spread more awareness about the great work that you all do. I anticipate hosting the Chat with the Committees’ event in September and Converse with the Caucus’ event in October. I am hoping to provide catering and a fun trivia game with questions regarding the committees and caucuses.. I will be sending out a doodle poll soon to move forward with scheduling dates for these events.
 - Dean Meetings
 - I received the list of students that are a part of the Burnett Honors College and created a GroupMe. If you were not added, please reach out to me, so I can sort it out with their Office and add you to the chat. Fortunately, they provided me with availability for the Summer, so I am excited to move forward with scheduling and spear heading this initiative!
 - The rest of the Dean Meetings will conclude next week!
- **Senate President Pro Tempore Report (Christopher Slaughter, sga_pro@ucf.edu)**

 - Today we are showcasing Claudia Gordon, a prominent deaf lawyer with her quotes. “Thanks to the values that were instilled in me during my formative years, I understood then that those voices of doubt neither dictated my worth, nor

 - Hi everyone ORS currently has three members. I would highly encourage people to join our committee at the end of this meeting. As senators we need to represent the student body to the best of our ability and that means supporting our committees to the best of our ability. We meet currently on Thursdays at 1 and will be meeting at 4pm on Wednesdays starting in the fall. ORS will be overseeing sanction reviews, title 8, as well as integrating a face to face response between ORS and RSO/Individuals for feedback on the funding process.
 - We sanctioned one RSO today: The Indian Student Association at 30% due to their full reversion, lack of communication, and inability to come to one of the four ORS meetings for their deadline.
 - We have around 20 accounts still open from the last session, so we will continue to wait for their closure in order to see if they will need to attend a Sanction hearing .

 - Hello Everyone
 - Following Friday's Diversity Training, Senator Ellenberg and Senator Forbes were dismissed from the Student Body Senate. As a reminder, and in accordance with Senate Rule 7.10, those dismissed are able to appear on the Senate floor by the conclusion of tonight's meeting and appeal their dismissal. Should they choose to do so, they are able to be reinstated by a majority vote by the Senate body. Should they choose not to appeal that decision or a majority vote is not met, their seat will officially be deemed vacant at the conclusion of tonight's meeting and will be available for reappointment by President Hall
 - This week, the committee saw and approved Internal Bill 53-05 and it will be seen on the floor tonight
 - We also reviewed Article VI, Article V, and Article I of our Constitution. The committee voted against making any changes to Articles V or I. The committee also voted against making any changes to Article VI, but did vote in favor of adding a clarification of the use of a supermajority in Title II
 - Article VI will be workshopped at our next meeting and Judicial leadership has been invited to attend and collaborate with the committee on that
 - I am still trying to work with Attorney General Soto to determine the best course of action in adjusting our Governing Documents to be in accordance with House Bill 233- Any plans or information will be provided once we have it
 - The committee saw five absence requests this week:
 - Senate Absences
 - Galloway (7/1/21) Absence Request - Initial Roll Call
 - Vote: 8-0-0
 - Gonzalez (7/8/21) Absence Request - Initial Roll Call
 - Vote: 9-0-0
