- Good evening everyone & welcome to the last meeting of the Summer Semester! I want to thank you all for getting to this point in the session. You all have worked diligently throughout this session learning the intricacies of internal matters, digested fiscal terminology, educated yourselves on different populations on campus, practicing Roberts Rules, communicated with students and RSOs, participated in identity caucuses, became leaders within your peers, and met with your academic deans! Pat yourselves on the back! I am so honored to be working with such a talented, driven, and determined body of students who want nothing more but the best for their constituents. As we continue with our last meeting for the summer, I want to give a couple reminders:
 - Senate Floor Meetings will start Thursday, Aug. 26th at 7PM and will continue meeting Thur. nights at 7PM, except for Sept. 2nd, we will NOT have a Senate Floor Meeting the 2nd week of the Fall, only committee meetings!
 - Don't worry, I'll email you all (:
 - I also want to make sure that you all know that I am here for you. I understand this may be difficult but I truly mean this. I want you to feel comfortable constructively criticizing and addressing me so I can make this experience the best for you and your constituents.
 - As you can imagine with classes and events moving in person, so will Senate. In the Fall, we will be meeting in the Charge In Chambers! I am so excited for this opportunity for all of us to meet, interact, and advocate together! I want to assure you that I will do everything in my power to ensure we meet safely and take cautions with all health concerns and if you have any concerns and/or recommendations, please reach out to me or anyone in leadership.
 - TAKE A BREAK! Please take time to yourself! I also ask that you be a little understanding if it takes a while for leadership and SG officers to respond as well!
 - Happy Birthday to our very own SG Vice Pres. Wilson! Your dedication to serving the student body does not go unnoticed and I am so thankful to work with you!

They're interested in meeting with the Senators regularly, so starting Fall we will be doing so! Special thanks to Coordinator Greenaway, Coordinator Evans, and Chief Justice Koolik for joining myself and the Senators for this meeting!
 - Dean Meetings have officially wrapped up for the Summer, thank you all for your participation and hard work. I'm looking forward to coordinating these meetings in person in the Fall semester.
 - I met with Coordinator Lee and DSR Magdadaro this week to discuss collaborative efforts for a Caucus Informative Townhall. We will be meeting again on August 11th at 8:30am, so I'll have a more detailed report about the event when Senate reconvenes for Fall.  - Vice chair Boisson and I will be meeting with Cyndia Morales Muñoz, Director of HSI Culture and Partnerships at the Office of Diversity and Inclusion next Thursday to discuss how we can partner with their office to help with Hispanic Heritage Month events.
 - We recently lost two of our members so it would be amazing if you joined us in the fall!
 - Pin of the week is a Flamingo in honor of the end of summer! This is my favorite pin and in my opinion the coolest animal. Flamingos sleep standing up, and because they often sleep in water, they can actually sleep through that water freezing over at night and wait for it to thaw and just keep going with their day. They are the only animal that consistently escapes zoos and survive for years after they do. Lastly, they don't have to be pink, they are pink if they eat meat and those that don't are white.
 - Okay, that's all !Vamos Knights!
 - **LGBTQ+ Caucus (Chair Jacob Bertram, sga_ba3@ucf.edu); (Vice Chair Shannon Reid, sga_ba5@ucf.edu)**

Lastly, I met with Coordinator Lee, VP Wilson, Coordinator McCutcheon, LGBTQ+ Services Coordinator Michael Nunes, and Lavender Council member Cine Julien to discuss the possibility of a Pride Commons space at the Rosen Campus.
 - Our next meeting will be August 24th at 4 p.m. in the Student Government Conference room. If you wish to join please email me!

 - Senator Boisson: Hi everyone! I wanted to follow up on resolution 53-10: Resolution Encouraging the University of Central Florida to Reduce the Use of Plastic Confetti on Campus. We have decided to get the ball rolling in the fall semester. The Arboretum will be hosting volunteer events to forage and make plant based confetti including using flower petals, leaves, etc. The Wetland's Club will be hosting volunteer events for dying the Epsom salt to make the biodegradable glitter. The sustainability coordinator, Adri-Anna Harris, Senator Bertram, and I have discussed buying eco-friendly glitter cannons as a first come first serve basis as well as what we are going to use to actually hold the glitter. We have also met with the Director of Communications, Jasmine Fletcher, to make a slogan and to submit a form to marketing for making promotional graphics. However, Director Fletcher, Senator Bertram, and I will be taking some promotional pictures tomorrow to advertise biodegradable options for summer graduates, even though we will not be handing any out. We are excited to see this initiative take place!
