 10. New Business-
 - a. Allocations
 - i. 53-012 (Emergency Radiology Research Presentation)
 1. Speech
 - a. Second year medical student, funding request is for research presentation. Because of COVID I will be attending virtually so I only need funding for registration. For the College of Medicine, this shows that UCF is innovating by putting UCF's name out there at an international conference. For me, radiology is something I want to pursue, and this is a great opportunity for me to get more exposure to the field.
 2. Questioning
 - a. Power: Have you been approved to give a presentation?
 - i. I have been approved for a presentation and just need to register for it to be final.
 - b. Power: Have you been financially trained for FY 2021?
 - i. Yes
 - c. Block: Confirm you are requesting \$495?
 - i. Yes

1. Speech
 - a. I am a second year medical student, I am here representing UCF's catholic medical association. I am requesting funding for the 2021 educational conference by CMA, this year it is in Orlando Florida. I am requesting funding for six individuals at \$100 for each person, so \$600 total. This is a great opportunity for us to network as well as grow in both our faith and medical practice. The theme this year is the joy of medicine and is a great way for us to learn how to enjoy our profession especially in a time when the medical profession has such a high burnout rate and suicide rate.
2. Questioning
 - a. Power: Are you FY21 Financially trained?
 - i. Yes
 - b. Block: How are you being transported there?
