- **Announcements from the Scholarship Committee Chair (Brandon Greenaway, sga_scholarship@ucf.edu)**
 - Hi everyone, the Scholarship Committee had its first two very important meetings over the past two weeks, so there's lots of updates from me today!
 - I have linked the 2021-2022 Scholarship Committee drive (<https://drive.google.com/drive/folders/1IH9EsI6bt2lcfHgo0ydcuY8WLCqDkOL3?usp=sharing>). This will soon be posted on the SG website. Here you can see meeting agendas, passed scholarships, a spreadsheet with our budget, and a Scholarship Request Form template.
 - At our last meeting, we passed 23 scholarships. A lot of scholarships were updated from last year with some new additions, such as the Student Employee Scholarship. Under Passed Scholarships, there is a document with all of the scholarships that we passed with all of the criteria and awards. Next week, there are 2 scholarships that are also on that document that we are taking a look at to make sure that they are worded properly, and then hopefully voting on those as well.

- All of these scholarships will be posted by the end of the month and students will have until November 5th at 11:59PM to apply on A2O for those that we are offering in the fall.
- After passing all of these scholarships, we have allocated over \$200,000 in scholarships and have about \$100,000 remaining in our budget to allocate for those that submit Scholarship Request Forms. I encourage you all to share this form with the RSOs that you represent.
- Our next meeting is on Tuesday, September 21st at 2pm in the SG Conference Room, and we meet biweekly. Senator nominations for the open Scholarship Committee seats will take place tonight, and then elections will be held next week.
- Please let me know if you have any questions!

 - RSO restructuring
 - Our office is working on restructuring how we represent RSOs. That being said, you will still represent those you represented in the last semester.
 - For transparency sake, I wanted to let you know that we will be increasing the amount of RSOs per senator to 10-12. As of now, do not worry about which RSO you will be representing, as our office will be doing the assignments for efficiency's sake.
 - In the meantime, you are more than welcome to start emailing your current RSOs.
 - Alternative break program / working on getting agency/dept reps
 - In regards to the announcement I made last time, the Alternative Break Program will be presenting their agency in the next senate meeting to talk about their agency.
 - I am waiting to hear back from the other agencies I've emailed.

I especially want to invite you to the opening day events for HSI Week and Hispanic Heritage Month, both of which will have a presence from our caucus.
 - I attended meetings for Hispanic Heritage Opening Day event and the Anti-Racism Leadership Project where I agreed to help the Project with outreach outside of UCF to ensure we are helping our community as a whole and advocating for our students at the same time.
 - Today's pin is actually from another university. I promise it's worth it though. Today we have a pin from the Berkeley College of Music Theater. This is to commemorate National Arts in Education Week as well as the reopening of this beautiful theater which survived COVID and played their first concert since 2020 last week. Please please please support the arts as much as you can, especially in education. Multiple studies have concluded that curricular and extracurricular art studies and activities help keep high-risk dropout students stay in school according to the National Endowment for the Arts.
 - Artists make the world more beautiful and art involvement leads to better student outcomes. Let's help our knights in the arts so just that.

- **CRT Committee (Chair Ariane Block, sga_crt@ucf.edu); (Vice Chair Will Power, sga_sci4@ucf.edu)**
 - Budget Update
 - Current Balance: \$666,327.00
 - Reversion Rate: 100% due to CRT allocation 53-05 in which the individual's conference was cancelled due to COVID.

- Last week in committee we approved allocations 53-14, 53-15, 53-18, 53-19, 53-20, and 53-21. Two bills, 53-07 & 53-08, were approved on first reading and two allocations, 53-16 & 53-17, were postponed and seen this week.
- This week in committee we approved allocation 53-16 which had been previously postponed. We PPI'd 53-17, which had been previously postponed as well, due to a repeated absence of the individual. We approved allocations 53-22, 53-24, and 53-25. We postponed allocation 53-23 and will be seeing it next week.
- Both this week and last week's minutes can be found in the CRT folder of the Senate drive. The approved allocations from the past two weeks will be forwarded to the A&SF Business Office tomorrow.
- As always, if you have any CRT-related questions, please reach out to myself or VC Power. Additionally, CRT continues to have open seats. As a reminder, sitting on fiscal committees allows you to be a face of SG for students looking for funding and provides you with experience related to fiscal policy. This can prove helpful while working with RSOs throughout the semester.
- **FAO Committee (Chair Zach Dench, sga_fao@ucf.edu); (Vice Chair Hannah Mittan, sga_bal@ucf.edu)**
 - Budget Update
 - Q1: \$75,971.81
 - Total: \$320,971.81
 - The past two weeks:
 - Approved six allocations
 - PP'I one
 - We only have 4 sitting members so **we have open seats!** Reach out to sga_fao@ucf.edu
 - Email forwarding
- **ORS Committee (Chair Maddie Malakoff, sgaors@ucf.edu); (Vice Chair Shaun Mitchinson, sga_ba6@ucf.edu)**
 - Hi everyone!! I have been in contact with RSOs who are confused about the funding process and the ORS committee is brainstorming ways to ease their confusion. We are now implementing an in person feedback post funding process, this means that post funding from their allocation or bill, RSOs or Individuals will be able to come and discuss what they liked or disliked from the process. As well as giving the committee ideas on how we can fix the confusion within the funding process.
 - Also here are a few quick facts: A reversion is when senate funds are reverted back to the senate account, a sanction means that the funding for the next fiscal year will be limited, lastly RSOs need to fill out the Bill : Proof of purchase for on knight connect before their reversion date ..
 - ORS is going to be meeting hybrid on tuesdays at 10:45, and next week we will be going over title 8: the finance code
