 - Hola senado,
 - It is the second week of Hispanic Heritage Month!
 - Our caucus met this week on Tuesday. We discussed Premios Banderas, our ceremony honoring our amazing Hispanic/Latinx knights which is being held next Friday from 5 to 7PM at the Key West Ballroom. We would really love it if all of SG showed its support for the Hispanic/Latinx community at UCF by attending and supporting the event in whatever way you can.
 - We will also be meeting next Tuesday and likely changing the week our meeting falls on in order to not conflict with the scholarship committee.
 - We have some new members, so thank you to them. However, we really do need more help. We have so much to do for our hispanic students and we have the faculty/staff support but need people who are willing to put in a couple of hours a week.
 - We also want to thank the scholarship committee for approving 10 scholarships for Hispanic/Latinx students this week and working toward the advancement of students who are enrolling at higher levels than ever but also having the same issues they've always had. This is a great example of us working toward being a better Hispanic Serving Institution every day.
 - Today's first pin comes as I want to acknowledge and shout out all our Hispanic/Latinx and all other bisexual knights on their day of visibility.
 - Today's second pin comes courtesy of PeruSA, the Peruvian Student Association at UCF. Vamos PeruSA, Vamos RSOs. Vamos Knights.
