 - f. I am holding a meeting tomorrow with Caucus leadership in order to form a common understanding of what the statutes require of caucuses, and how we could potentially make them better.
 - g. We have a potentially exciting project that we will discuss today!
7. Announcements from the Vice-Chair-
- a. Hi everyone! Welcome to our second meeting! Excited to have you all back here. I have also recently returned from a trip so bare with my sparse announcements.
 - b. I am looking forward to reaching out to RSO's and inviting them to visit our meetings and join us in any caucus tabling events we may have in the future.
 - c. Jacob and I will be working together to provide a description of this caucus's efforts and information to the Director of Communications Fletcher to have it placed on the SG website. Though Jacob and I are leading this effort, we would highly appreciate any input or ideas from every member of the caucus.

- v. Chair Bertram: Will reach out to card services to see if an option currently exists. An issue would be forcing students to include pronouns despite being comfortable doing so.
- vi. Harris: Offering the option is the important part and if it exists we should be advertising that.
- b. LGBTQ+ Caucus and Lavender Council
 - i. Chair Bertram: Coordinator Lee unfortunately could not be here today, but she connected me with a very exciting project! Michael Nunes (he/him), LGBTQ+ Services Coordinator, and Cine Julien (he/they), a member of Lavender Council, have reached out to SG about establishing a Pride Commons space at the Rosen campus. Students have previously voiced a need for such a space during previous SG sessions. If you would like to be included on this project please let me know so I can add you to a list to get involved. I imagine that we would be the connection between SG Senate and all the other offices involved.
 - ii. Harris: Only question for doing so was on budgeting, any further information on this?
 - iii. Bertram: Budget is outlining actual cost of creating the Pride Commons space. Long term plan is to have a Pride office on Rosen Campus that functions similarly to Pride Commons.
