collaborate with the chair. Not interested in the power, but wants to benefit the LGBTQ+ community and to aid Chair Yalamanchili. Serve the community, have their voices heard, make sure initiatives are worked on, and that minutes are tidy (yay!). 60 WPM typing speed.

iii. Questioning

1. Tache: Do you have anything else to add that wasn't mentioned last week?

2. Yalamanchili: Do you recognize that the committee is not about the chair alone, but about the community and the committee, rather than purely the chair?
 - a. Yes, I would voice my opinion if we disagreed on what would be a positive for the community. I think we'd work well together, but it's not the most important thing.
