 - Committee chairs: please reach out to myself and/or DLeg Wangen if you would like any of these [Workshops](#) run within your committee and we can get that scheduled!
 - Please fill out the [Involvement Tracker](#)
 - This is not just for being in Senate, this is for attending events, whether SG or otherwise, writing legislation, and other involvement that goes beyond simply being a sitting senator or completing the duties of any position you hold within Senate. We're looking to recognize involvement going beyond the basic requirements.
 - If you have any questions, feel free to reach out to me or anyone else in PT's Office!
 - **Deputy Pro Tempore of Legislative Affairs Report (Katrina Wangen, sga_dleg@ucf.edu)**
 - Good evening Senate!
 - This week, I had 4 pieces of legislation submitted to me, which are all on first reading tonight. I also wrote 1 fiscal bill, which is now on first reading.
 - Please remember to submit legislation to both me and Pro Temp Ciresi. We will not be accepting anything that is not, at minimum, sent to Pro Temp Ciresi.
 - Please do your best to submit legislation recognizing specific events before the event actually begins, and well in advance if possible. It is much easier for everyone if we don't have to stress about rushing things though the process in order to avoid passing legislation after whatever is being recognized..
 - I ran the first legislation workshop of the session, thank you to everyone who came! Reminder that the next one is at 2 pm on Monday.

- Ajay's Assessment: This week from Germany we had Hazelnut praline creme, squished between two crisp wafers. Senator Potier said they're really good and enjoyed them, Chair Borges said he liked them a lot, Senator Hurrell would've liked them more if they were milk chocolate, Senator Wangen was a big fan and said they were very good. On the other hand, I personally appreciated that we had dark chocolate this time, but I still felt that it was too sweet and not bitter enough. Therefore, because they weren't bitter, I did not like them.

 - Scarlet's Snapshots:
 - Hello Senate, we finally got to do our first week of Scarlet Snapchat's in our ORS meeting monday, and it was quite successful as we had a good laugh regarding the tension between chair Temple and Senator Castillo graduation pictures as to which one was cooler. Ethan's showcased him a year ago today graduating on the pier while Senator Castillo graduated on what looked to be a rugby stadium field. Chair temple remarked "ha hah I think I've got you beat and despite Castillos camera being turned off you could almost feel the eye roll. All in good fun of course the sharing went well with a photo of Dleg wangens cat Ending the discussion.
