- d. Resolutions
  - i. None
- 8. Member Discussion
  - a. Title VIII
    - a. <https://studentgovernment.ucf.edu/wp-content/uploads/sites/4/2023/05/Title-VIII.pdf>
    - b. [Title VIII suggestions.docx](#)
      - i. Borges:
        - 1. Will bring in a bill to fix suggestions I've curated.
      - ii. Damarla:
        - 1. Will we be reviewing this as time goes on?
      - iii. Borges: Yes, but per statutes we're reviewing it at the beginning
      - iv. Borges ERFs are the only thing that allows for spending authorizations. However, there's a lack of clarity on deadlines set by the ASFBO. Perhaps having it published by memorandum through the ASFBO would help fiscal, executive, and OSI with clarified dates to allow them to use the remaining of their budgets. When they know the date, the ASFBO will issue a memo stating when the ERF is due.
        - 1. Temple: Implications?
          - a.
          - b. Borges: If we added it (will need to talk with Brenda), ASFBO will issue a memo stating a deadline that outlines the final day when they will accept ERFs to all A&SF-funded entities. It is a required communication and having such conversations with the proper justification will allow for funds to be used without reversion.
          - c. Temple: When to discuss?
          - d. Borges: Fiscal Leadership is planning on meeting with her soon
          - e. Damarla: Emailed Brenda and returned with an automatic response (out of office).
          - f. Temple: Where is this mentioned in statutes?
          - g. Borges: It isn't, it will likely be in Title VIII, possibly 800.14.
          - h. Temple: Perhaps in 800.14 or 16?
