8. New Business

a. Allocations

i. [55-037](#) Maria Eduarda de Azevedo Daruge

1. Speech

- a. Interdisciplinary studied major, looking into public health curriculum. Most research is in epidemiology, also doing thesis on chronic disease. Took class with Dr. Crozier? And they encouraged a conference on July 26th for the Public health association in Florida. Good opportunity to network and go further in associations to get after graduation in fall of this year. Most linup associated with past research she has done on health disparities and mental health. Networking is a major point of the conference. Funding only for registration fee

2. Questioning

- a. Dani: Are you financially trained.
- b. Maria: Yes, I have the proof and can forward email.
- c. Chair: are you financially trained with the new training that came out June 1

- d. Maria: no, did the past one.
 - e. Chair: you must retake to be up to date with 23-24 for new changes
 - f. Maria: okay.
 - g. Dani: do you understand the post funding process.
 - h. Maria: Yes, funding I'm asking for is only for registration fee.
 - i. Brown: what is the total cost you are requesting?
 - j. Maria: since nonmember, its \$375 for 25th and 26th
 - k. Chair: we can only fund up to \$300, how do you plan on funding other \$75
 - l. Maria: out of pocket
3. Debate
- a. Khazei: looks well put together, easy to read, good cause, should get funding. Will be voting in favor.
 - b. Dani: abstract easy to read, liked that. Very put together. Willing to pay \$75 out of pocket shows willingness to go. Voting in favor
4. Vote
- a. **Approved 4-0-1**
- ii. [55-038](#) Angelo Cinque
- 1. Speech
 - a. Going to Fall 2023 ACS meeting in San Francisco, one of 2 of the largest conferences they have. August 13th-17th, presenting on 16th in the morning and all-day 13th-17th, there's presentations with networking. Paper is student perception of adaptive learning modules for general chemistry, presented in freshman level. Adaptive learning is mastery path, cost free resource in canvas with target learning activities to personalize learning for student. Results from students will help other professors make adaptive paths for student learning, more question variety and content variety, great because it is free resource in undergraduate chemistry.
 - 2. Questioning
 - a. Dani: How would you attending this conference benefit yourself and UCF.
 - b. Angelo: will benefit UCF community because the more people that use the platform, the more it learns and betters' students.

Helps resume for medical school. Is continuing research for rest of undergrad and maybe post bac, more to be done beyond how students perceive platform and how it affects student course performance.

- c. Brown: any intentions to implement what you learn at conference, what is your end goal?
- d. Angelo: bettering platform and networking with other professors and what they know about mastery path, teaching styles (mixed mode), chemistry education.
- e. Chair: since you're undergrad we can fund up to \$500 how will you fund the rest
- f. Angelo: got a \$300 scholarship and is applying to OUR, will fund rest out of pocket if needed.
- g. Brown: are you financially trained
- h. Angelo: yes, for this fiscal year
- i. Larsen: do you understand the post funding process and what happens if there's reversion over 20%
- j. Angelo: Yes, I do

3. Debate

- a. Brown: sounds cool, good on you for the undergrad research, would've liked to hear more about how it helps UCF but voting in favor
- b. Khazei: likes chemistry related, seems good cause, voting in favor.
- c. Dani: echoing the last 2, seems cool and interesting, benefits study overall, voting in favor.

4. Vote

- a. **Approved 4-0-1**
