  - ⊘ **Disability Caucus (Chair Elle Campbell, [sgdisabilitycaucus@ucf.edu](mailto:sgdisabilitycaucus@ucf.edu))**
    - Evening everyone!
    - No big updates for y'all, the space for a disability commons is still in flux unfortunately. Braille signage is being worked on, albeit slowly, hopefully we'll have a meeting with some building directors and SAS to help move things forward as Senator Sandlin continues to move forward with that. SB266 is a new worry for us, it can have some long-reaching effects on programs such as SAS. Also got Senator Khazei taking point on accessibility issues with graduation blockades, they end up removing wheelchair access with current methods.
