- ☞ Caringal – Howdy everyone! As VP Smith stated at the beginning at the meeting, the ADSPB met this week and I just wanted to give y'all a quick update on what's happening around campus. Starting the first week of school around August 21-28 is Pegasus Palooza. OSI will be releasing a call for programs in the coming weeks to add events on their schedule. This is a great opportunity for caucuses to advertise any events they may want to put on during this time. With that, there are still many more events being planned for next school year so I will try and update y'all as much as I can. One final thing, I would love to see senate participate in events, sports, and other activities to represent us like Knight-Thon or intermurals but we'll organize those later. If you have any questions please feel free to message me!
