Damarla: What should be allowed to be asked/talked about of candidates (especially social media Sierra and I don't tend to like it as it could allow for outside biases impact how we vote. However, it would be alright if it impacts the statement or debate (plays a role in how appointees will carry out their duties, not so much about character of the individuals)

Kennaugh: We should look at if their actions raise an ethical question, but we should ask.

Damarla: Should there be a possibility of a "guilty by association" issue, we should talk to Brandon to clear the air before it becomes a problem.

DiChiara: its not about their personal life, its about can they do their job.
