of international students. Work with other caucuses to address intersectional experiences of apia students. I want to raise awareness of apia history and contributions by students, through highlighting them, workshops, and an apia market day. I want to address language barriers face by apia students. 1. Mittal: I am from Lakeland. I am pretty involved on campus, president of Medlife, director of isa, and im involved in many other cultural and health sciences clubs. I am involved in all asian culture, I attend a lot of vasa events and of other cultures. Its interesting to see hwo there is more than whats just on the surface. I would support chair patel in any of the initiatives that he would want to go for and i would be pretty effective at taking initiatives. Additionally, i have many connections with different rsos on campus. Was inspired by Holmes' black business showcase and making something similar for APIA community.

iii. Questioning

1. Temple: Seen as you are going to take up this position, will you have enough time?

a. Mlttal: Yes, definiety. I dont see this as a position. Its doing the stuff i already do but just in a more official role. I dont think it will get in the way in any of the duties of dsr.

2. Holmes: what attributes do you have that compliments the chair's?

a. Mittal: i would be effective by taking minutes. I have connections that could help pate's initiatives and i know many other members and leaders of other cultural asian RSOs that would make it easier to coordinate to make these events into reality.

iv. Debate

1. Damarla: I'll be voting in favor of this canidate. I do see how he is involved in different aspects of campus. His DSR initiatives will compliment his vice chair role. Because of those reasons I'll be voting in favor.

v. Voting

1. 8-0-0, **Vice Chair Mittal is elected.**
