      1. I am currently a biomedical science major wanting to pursue a career in orthopedics. My ethnicity is half Puerto Rican and half Sicilian. I plan to join a sorority this upcoming fall in order to get more involved at UCF. A few of my favorite things are Taylor Swift, Starbucks, cooking, shopping, and learning! Initiatives: Setting up a Latin/Hispanic Market Day on campus just like the Women's Market Day. Feature different Latin sellers as well as host Latin food vendors for attendees to try different kinds of Latin dishes. Advertise Latin/Hispanic scholarships for students who may be in need of one. Getting more involved with the Latin/Hispanic community on campus. Additional Information: I have lived in a Spanish-speaking household for my entire life, so I am familiar with reading and listening to the language. I am actively working on speaking and understanding Spanish. I am new to Senate, but I am so excited to learn more about being a Senator and possibly what having a chair position is like. Please let me know if there is something you guys want to work on in this session! If I do get elected, please feel free to reach out to me if you need anything. I am extremely open to criticism, so please say something if I am doing something wrong or if you think there is a more efficient way of doing a certain task. Summer meetings will be bi-weekly and hybrid, as I do not have housing in Orlando.
