    - Black Caucus description:
        - Black Caucus is a Caucus of Student Government that advocates for students and faculty within the Black community. Through outreach and forum, we help create a safe space to address concerns, provide resources for, and discuss topics that affect Black students on campus. The mentioned resources include: explaining the student government funding process through FAO and CRT, facilitating dialogue between the two student government advocacy committees (SBA and GAP), and bridging the gap between the black community at UCF and in Orlando.

This meeting is held in compliance with the Government in the Sunshine Act.
