11. Member Discussion

- a. Brodie: So, there are a set of allocations. There is Lavender Council, which is not an RSO, but they want to do a bunch of individual allocations. I am telling you this like his because the office manager is leaving so they want to do this now. He and us can submit one request form but he will not know how many people are going but he will know when he comes to the committee to present. In committee he will tell us the names and info once he comes to see as a block. Can yall do this?
 - a. Cimillo: Yes, as long as when he submits the KnightConnect, the prices are submitted as a per person cost and not the total so we can do things easier.
 - b. Brodie: the 28th of sept is when he will know who is going. But he leaves in October so if we see him soon after the 28th it should be good.
 - c. Cimillo: Can he fill out the knight connect by next week/9-25?
 - d. Brodie: Yes
 - e. Cimillo: If he does that, we can see him on the 2nd.
 - f. Brodie: They will not know the exact cost of registration at the form time so we can present the historical amounts if it can cover, they are only allowed 200 anyway. Hotels and travel will be funded through other means.
- b. Caringal: That was so long and painful.
- c. Yera: this felt shorter.
