 - a. We are an undergrad club at UCF. We have weekly meeting and many guest speakers. We are requesting conference funds for a conference in New Orleans. We are the biggest ACS chapter and represent UCF amazingly. We'll present research, meet with companies, network, and bring back many cool things for UCF like sponsors. Flight is 3455, Hotel is 5093 3 rooms, and registration is 1188.
 - 2. Questioning
 - a. Caringal: Do you have 2 financially trained officers and backups for if someone can't make it.
 - i. Yes
 - b. Yera: how will you cover the other half?
 - i. We do lab sales that make good money like \$4k.
 - c. Dani: you had a sanction last year. What happened.
 - i. We went to the meeting last week. The sanction was lifted as it was a misunderstand between the business office and us.
 - ii. Cimillo: How will you avoid this issue in the future?
 - iii. More through communication
 - d. Dani: Do you understand the PFP.
 - i. Yes
 - e. Dani: MTD
 - 3. Debate
 - a. Cimillo: They came a few weeks back and asked for an allocation instead of a bill. We talked for a while about the bill process so I ask you all to approve so they can get their money for ACS conference.

11. Member Discussion

- a. Cimillo: already 10 for next week. We all slay and can do it.
- b. Yera: Classic CRT W. So many allocations done and shoutout to the blocks. We love blocks.
- c. Dani: Shoutout to the SGLC person here with me they were awesome **heck yea.**

12. Miscellaneous Business

- a. Cimillo: We talked about funding cap changes in Fiscal Leadership. Wanted to go over it.
 - i. The numbers for the rest of the year areeeeeee
 - 1. Total remaining \$422,478.29
 - a. 12k remaining for this quarter.
 - b. October 1st is Q2 start.
 - c. I think we should keep it because not much would change. Whatever is left over from this quarter we can discuss on 10/2 when we meet again. We’ve already gone down about 50k for next quarter.
 - d. Caringal: I’m ok with just rolling the funds over to Q2.
 - e. Dani: The funds we don’t spend auto rollover?
 - i. Cimillo: Yes.
 - ii. Now for funding caps, we can change RSO or individual caps. What do y’all think?
 - 1. Dani: Lowering or raising?
 - 2. Cimillo: Either.
 - 3. Brown: RSO competition seems low so maybe raising would be beneficial.
 - 4. Cimillo: Leaving research presentation alone is good since it’s our biggest category. We can bring up competition for individual and seminar. I think 250 for seminar would be good. Competition up to 300.

5. Brown: That sounds good to me tbh. Comp to 300 and Seminar to 250.
 6. Caringal: I agree with raising those two \$50.
 7. Cimillo: Main change since last year is stipend changes from 100 each to 500 and 200.
 8. Yera: RSO competitions to 2500 and RSO seminar to 2000. Everything else is good where it is. At least raising competition to 2500 at a minimum if we can't change seminar.
 9. Cimillo: So everyone likes raising caps from Seminar 200 to 250, Comp from 250 to 300, and RSO competition from 2000 to 2500.
 - b. Yera: Cookies? Hopefully.
