    - 1. Speech (5-5-5)
      - a. We have talked about this for the past 3 weeks, wrote this bill to say we as a committee have decided to raise our funding caps for competition and seminar/networking. Fiscal Leadership has also agreed with our decision to raise the funding caps back to the previous year's 2023-2024 numbers. Seminar/Networking funds are commonly requested, so we as a committee and Fiscal Leadership have decided to raise this cap as well. Want this to go into effect immediately as the new Fiscal Quarter will begin soon. Do not want students to feel left out or neglected.
