submitted besides the dates. We are changing to 2/19-2/23 instead as the hotel cost is lower and there are no extra registration fees. I also want to adjust the registration fee; the early bird is 275 per student which ends 10/31. Not sure if we can get funding by then. Shuttle quote was emailed which was about \$3000 for airport to hotel and back. A 10% deposit is required, and the quote expires by the end of October. With these expiring, we did not want to apply for a bill.

2. Questioning

- a. Borges: Do you understand the PFP?
 - i. No
 - ii. Borges: explains PFP.
 - iii. I understand.
- b. Borges: How are you selecting the members to attend?
 - i. I am the treasurer. We picked the top 12 by a point system. They gain points by attending, meeting speakers, events, fundraising, etc.
- c. Cimillo: We can only fund \$1500. How will you use it?
 - i. First priority is registration.
- d. Borges: What will you do if someone cannot attend?
 - i. We have many members who want to serve as backup if someone drops.
 - ii. Borges: Clarifies that a decrease in members may prorate the allocation costs. May be sanctioned (Scary oooooooo very October)
- e. Cimillo: Since we can only allocate 1500, how will you cover the rest?
 - i. We have some saved up from the past, about 2000. We can also fundraise and apply for sponsorship.
- f. Cimillo: If you cannot raise enough, will you still attend?
 - i. Depends on what the members want. Anything we can't raise is out of pocket.
- g. Borges: You mentioned a shuttle, are you trying to get funding for that as well?
 - i. They offered me a quote for a 10% deposit if plans changed, which is why we did an allocation.

 - iii. Registration is the main priority followed by flights.
 - h. Borges: MTD
- 3. Debate
 - a. Borges: We do have to fix the numbers in the tracker, but there is no reason to deny. Would Cimillo/rso want to zero out other numbers?
 - i. Cimillo: Asks RSOs about bill vs allocation. We could do all three categories and the Senate will fund half.
 - ii. We can probably do a bill instead then if it would cover more.
 - iii. Borges: Was the date funding needed by, only for the things stated earlier such as registration and shuttle?
 - iv. Yes, but with the bill it would cover more.
 - v. Cimillo: And you don't know the regular registration, right?
 - vi. Yes, it's not stated anywhere.
 - b. Borges: I would like to give the RSO more money with a bill so we should PPI this allocation.

It will contain multiple Universities with squadrons, and we will attend workshops, network with upper-level military officials, and learn more about the Air Force.
