## 10. New Business

### a) Allocations

#### i) [55-263 Collegiate Percussive Arts Society](#)

##### (1) Speech

(a) I am the treasurer for the CPAS. Collegiate version of the percussive arts society. Bang bang hit instruments. International society produces publications and conventions in Indianapolis every year. We are requesting lodging for this convention since we are competing. We understand we can get up to 2000 max. 2079 before tax. ~2400 after. The rest will be split between the 10 people out of pocket. Students paid for travel and registration already. This is an opportunity for professional development, networking, and a job convention. We are showing the great things UCF can produce. I am attending this trip and competing.

##### (2) Questioning

(a) Brown: What are the dates of travel

(i) 11/8-11/11.

(b) Brown: Do you have alternates in case someone cannot go?

(i) No

(c) Borges: One of the things we do if that 10 approve but someone can't go, we prorate per person. Will you find backups now or will you prorate?

(i) We can't really do backups since they would need to study an entire part and attend just to basically watch. They couldn't practice and it doesn't work well.

(ii) Borges: So for clarification, you have to use 80%, if 2 people can't make it you may revert.

(iii) Ok. It is also being watched by our professor, so we are all qualified to attend and being graded on performance too. Backing out would

(d) Borges: Any intl? Understand PFP?

(i) No. Yes

(e) Caringal: Cost per night of the hotel?

(i) 231 per night and 3 rooms for 3 nights.

(f) Borges: Receipts show other costs, is this lodging?
