- **GAP Committee (Chair Ethan Temple, sgagap@ucf.edu)**
 - Good evening!
 - This week we continued our research into our DATC priorities, and we also planned additional strategies for outreach in order to further circulate our Student Priority Survey, with great results thus far. Over the past week, we've been able to get 144 total responses (60 up from 84) and we will continue by tabling during Market Wednesday starting next week! We tabled today at Market Wednesday, outside the Student Union. Our members canvassed, had QR codes with the form for students, utilized posters for engagement, and gave out merch to students who submitted responses. We got an extra 93 responses, so we're now at a total of 237 responses, which is amazing! Thank you to everyone who tabled today and those who helped create the posters and do the behind the scenes work to make today a success!
 - Resolution 55-04 has been signed by Speaker Holmes, so now some formatting will be seen to before going to the Pro Temp! Once the virtual ink is on the paper it will be sent to the awaiting parties, and we can push forward!
 - OTD: In 1787, the Confederation Congress voted to send what would become the US Constitution to be ratified by the states (it would take all 13 to ratify the Constitution and replace the weak governmental framework implemented by the Articles of Confederation. The first state to ratify the new constitution was Delaware, the last, little old Rhode Island!
- **LJR Committee (Chair Vihan Yalamanchili, sga_ljr@ucf.edu)**
 - Hello everyone! LJR met to see 15 absence requests and 2 pieces of legislation, that being Internal Bill 55-01 and Resolution 55-05

 - Hello! I hope you're all doing good. Make sure you're taking care of yourself while you're in the trenches of midterms
 - This week SBA discussed our current initiatives and some event ideas. We also adopted Proclamation 55-06.
 - Something that I said I wanted to do as SBA chair was to have a group legislation writing workshop. We will make a google form for those of you outside of SBA that are interested in learning or teaching!
 - With the concern about "project Alexandria" I've spoken to the president and vp of the graduate student association and dean case. Due to Dean case needing to make his announcement before speaking on this topic, SBA will wait a bit to do something if need be. I did invite Dean Case to open forum tomorrow to speak on everything to you guys.
 - I have a history fact today about the most recent "American revolution". Taylor Swift is dating an American (Travis Kelce) for the first time since 2011. It's been 12 years!!! Her last American boyfriend was Jake Gyllenhaal. Also Snoopy debuted today in 1950!
