

a quick guide to

ECO-CONSCIOUS TAILGATING

with UCF Student Government

REDUCE

BUY THINGS IN
BULK TO REDUCE
WASTE FROM
FOOD PACKAGING

Avoid snack-sized
food! Individual
packaging can
accumulate quickly

REUSE

PICK ONE SINGLE-USE CUP
AND STICK TO IT

Reusing the same cup all
day contributes less to
mass consumer waste

WEAR AN OUTFIT
YOU ALREADY OWN

or purchase from a secondhand shop

FIND THE BLACK AND
GOLD IN YOUR CLOSET!

Reusing something lowers the
cost-per-use, so not only is it
environmental, it's economic!

RECYCLE

USE RECYCLABLE CONTAINERS (SUCH AS
ALUMINUM) AS OFTEN AS POSSIBLE

Anything **from #1-7** is recyclable in the bins
labeled "UCF Recycles" on campus. Check your
containers for the recycling symbol and look for
the number in the middle!

GET A GROUP TO
CARPOOL OR TAKE
