- Safety Walk was a success! We had people from other branches and SGLCers attending, it was great to be able to see areas for improvement from other lenses. In the files on teams, I created a document that lists all the areas we noted. If you'd like to take a look or add any of your own, please do so. I also have it in old business.
  - The one and only, former Senator Ben Sandlin made in appearance at the Safety Walk, so if you didn't come you missed out!
  - I emailed MSC to start collaborating with them for a Women's Business Showcase, I have yet to meet with them, but I've spoken to them briefly at the Women's Health Fair and they are very much interested.
  - DATC Applications are happening RIGHT NOW!
  - Chair Hammed held a caucus chair meeting to discuss initiatives with him and the other caucus chairs. Something that we discussed was doing research on scholarships for our constituents and share them in the spring. We are looking for scholarships in the Summer/Fall 2024
  - Please remember everyone that your mental health comes first before anything! I restarted my Animal Crossing island as an escape so I encourage you all to find something similar.
5. Announcements from the Vice Chair-
- In collaboration with SBA and LGBTQ+ Caucus, we wrote a letter of support for Transgender Awareness Week and Transgender Day of Remembrance. Transgender Awareness Week, which falls between November 13<sup>th</sup>-November 19<sup>th</sup>, and Day of Remembrance on the 20<sup>th</sup>.
  - LGBTQ+ Caucus will finalize tmr.

7. Announcements from Non-Caucus Members-
