 1. Speech
 - a. Trans-population and people of marginalized communities is critical, interest stems from working as a medical scribe in the health care field and seeing disparities in health care. Also work at the UCF office of diversity equity and inclusion to ensure that people who are part of a marginalized community as undergrads get a higher chance of getting into medical school despite barriers to health education that are still in place. Working on translating a project to help prisoners receive better education on their health insurance status when they become incarcerated. Health and insurance coverage plays a key role in recidivism numbers. As a Senator, I want to translate this into our Senate body with our

resources and connections to further health equity in the whole UCF community.

2. Questioning

- a. Wangen: You won't be losing your pro temp position?
 - i. Damarla: No, I don't make that decision anyway
- a. Donahue: Why do you have to be reappointed?
 - a. Damarla: Changing from undergrad to medicine, my major is still enviro studies and med related studies, having two part time jobs makes this double major more difficult so medical studies might become a minor for me. Many of my initiatives work well for college of med, such as health equity.

3. Debate

- a. Cimillo: Candidate has done a lot for Senate, switching majors isn't a big deal, voting in favor
- b. Federico: Candidate is very experienced and we know we can rely on them, this switch in colleges isn't going to hinder progress or advocacy the candidate is pursuing

4. Vote

- a. 4/0/2

12. Member Discussion-

- a. Wangen: Does the AG have any idea how much longer interviews for Senate appointments will be happening?
- b. AG: Not sure, President will stop completely in Spring for the election process
- c. Damarla: Last time we discussed the kiosk outside the elevators, any follow ups?
- d. Kennaugh: Contacting with Disability Caucus to see who exactly can help us with availability for materials

13. Final Roll Call: 6/6
