8. Announcements from Committee Members-

- a. Lax: One of my initiatives as a sign over was I want to clarify language within Election statutes, rules, etc. The intention is to further reinforce the structure we already have. Be more inclusive for individuals within our Code of Ethics. Correctly formatting a tier violation.

12. Member Discussion-

- a. Kennaugh: Availability for materials is very much a college-by-college and department-by-department endeavor with recent changes to spatial management in the Student Union especially. I believe this can work to our advantage when it comes to spreading the word about SG events and opportunities, as flyers are super easy to distribute around high-traffic areas where lots of students can see them versus more “official” communication in the form of, say, a posting on a UCF website that requires time to be prepared and approved by admin at various levels.
- b. PT: Now that we don’t really have any appointments for the rest of the semester, EA can figure out what else yall can do. Look to EC or just anything you can do within Senate. Help promote the adjustment into Senate with new senators, figure out ways EA can spend the time.
- c. Kennaugh: Spoke with SBA Chair to get us in the loop, I want to have a rep for LJR, Internally I like that our revisions go through us, but still nice to reach out to LJR. Have like rotating reps.
- d. PT: Theres already a LJR rep for EA so it would be redundant to have that, but you could advertise the role.
- e. Jason: What are the thoughts on changing the rep rules
- f. PT: Maybe be more strict on the rules, there really are no rules to keep them coming, maybe create a system to ensure that reps do come to the meetings, meet with LJR chair and hold the accountable for their rep
- g. Jason: Instead of just one person if its open to the entire committee, it would get people involved in EA and ensure the seat is filled
- h. Kennaugh: It could be confusing on LJR chair’s end on who went to where and what happened, seeing if I can be added on the channel so it is easier to reach out and see who is coming when collaborating.
