- a. Hello, I am a Junior transferred in 2022, mentored under Pro Tempore Foster, I was not a part of SG last semester and I missed it. Hoping to bridge the gap between SG and the student body, continuing the positive change that I have seen. I was in SGLC last year, and I have a lot of leadership experience as well as working in SG in High School.
2. Questioning
 - a. Federico: High School SG experience, are there differences between SG in high school and UCF and how would you embrace those differences?
 - b. Johnson: In High school, it is more of a popularity contest, in University there is more of an ability to make change and have more of an impact on students and their college experience rather than being a mascot for my high school. I will try to embrace those differences and I think I will be okay?
3. Debate
