Chair Kennaugh [sga\\_ea@ucf.edu](mailto:sga_ea@ucf.edu)

that much time, by=appointment is bad system for COBA, always says it is full. The notifications for walk-ins being full happen within minutes of them opening, schedule season is even worse for us.

- c. DiChiara: In-depth, we've had COBA senators say the same. Do you have a personal solution?
- d. Corelli: Yes, the online system to schedule needs fixed to alleviate the stress of walk-in advising, and/or a system wehre students sign up for text reminders for a mobile notification when they can be seen. Not enough of a waiting area in BA2, mobile is practical/
- e. Kennaugh: What committee/caucus?
- f. Corelli: FAO, as a business major, in the young investors club previously. Allocations to RSOs is an interest.
- g. Akhila: Simaiar question as before, what about committees tht aren't related to your major
- h. Corelli: GAP
- i. Hurst: What do you have to gain fromt thefree scantron initiative
- j. Corelli: Bridge the gap between the College and Senators

3. Debate:

- a. Akhila: In favor, like that they are able to use their major with their impact on students, also like seeing Buisness majors sitting on different fiscal committees
- b. Hurst: Love your initiatives, love hearing about bridging the gap between students and Senators
