(a) Hi, I am representing the group. Thanks for managing us, appreciate it. The 5 of us are going to the annual conference for the SIOP conference. The biggest conference is held for this. We are requesting funding to conduct observational research through interviews and observational research. We are all in our PhD tracks or masters. We are all FT and know PFP. We have 300 + 200 for funding. Flights and registration are already over. 330 flights and 69 registrations. If anyone's flight is too cheap it'll go to the hotels instead for no reversion. Great group no reversions here!

(2) Questioning

(a) Cimillo: 17-20 is correct?

(i) 17-21 for me, 17-20 for everyone else.

(b) Cimillo: Some did seminars, others put observational, what makes y'all observational? I would need to see proof that it is being published like a prof email. Keeping at seminar, it's only 450. Observational is 500.

(i) Can we just put it as seminar just in case?

(ii) Cimillo: Yea that's fine I just need an email before.

(iii) Everyone can be bumped down to networking.
