

TITLE VII: THE IMPEACHMENT AND REMOVAL STATUTES

Chapter 700 Impeachable Offenses

- 700.1 Offenses punishable by impeachment shall be:
- A. Misfeasance, defined as an excessive or malicious exercise of the powers granted by the Student Body Constitution, Student Body Statutes, or Senate Rules.
 - B. Improper Student Conduct, defined as a violation of the Golden Rule, which resulted in sanctions for the student.
 - C. Neglect of Duty, defined as continual or long-term inadvertent, negligent, or willful disregard in obeying and executing the duties of the office in which the individual serves. This also includes the formal receipt of three (3) Censures against said individual.
 - D. Conviction of a violation of local, state, and/or federal law.

Chapter 701 Filing for Impeachment

- 701.1 Any student at the University of Central Florida may file an affidavit for impeachment against any Student Government Agent.
- A. If the Student Government Agent being impeached is the LJR Chair, or if the LJR Chair is unavailable, all duties vested within the LJR Chair throughout Title VII are to go to the Senate President.
 - B. If the Student Government Advisor is unavailable, all duties vested within the Student Government Advisor throughout Title VII are to go solely to the Student Government Advisor Designee.
- 701.2 Charges or complaints of wrongdoing may be filed by the student in affidavit form:
- A. The Affidavit must include a description of what alleged wrongdoings were conducted. The student must list the provision of the Student Body Constitution, Student Body Statutes, or Senate Rules that are alleged to have been violated.
 - B. The Affidavit must be notarized prior to submission to the Student Government Advisor or Designee.
 1. Said Affidavit must be submitted and time-stamped at least three (3) hours prior to the next regularly scheduled Legislative, Judicial, and Rules (LJR) Committee meeting in order to be heard at that meeting.
 2. No additional preliminary evidence, tangible or otherwise, may be submitted after the Affidavit has been filed with the Student Government Advisor or Designee until such time of the Discovery Process.
 3. Should the Senate vote to impeach the individual, additional evidence may be submitted during the Discovery Process.
 - C. The student must include contact information along with the Affidavit. This contact information shall only be used by the LJR Chair, the Interview Director, and the Student Government Advisor or Designee to ensure the individual is informed throughout the process.

- D. Should the student decide to withdraw the Affidavit, the student must request to do so in writing to the LJR Chair.
 - 1. The student may not file a new affidavit any earlier than 24 hours following the withdrawal of the initial affidavit.
 - 2. The Affidavit may not be withdrawn once the LJR Committee recommends the Affidavit move on to the Senate floor.
- 701.3 Once properly submitted to the Student Government Advisor or Designee, the Student Government Advisor or Designee must timestamp it. Once the Affidavit(s) is submitted to the Student Government Advisor or Designee, the Student Government Advisor or Designee will contact the LJR Chair via email to notify the Chair of the filing. The Student Government Advisor or Designee will provide the Chair with the Affidavit.

Chapter 702 Preliminary Review

- 702.1 The LJR Chair shall make copies of the Affidavit(s) for the members of the Committee and will present the charges during New Business under the heading of "Affidavit Review" at the next regularly scheduled LJR Committee meeting. Caucuses held during a Senate meeting will not constitute a regularly scheduled LJR Committee meeting.
- 702.2 Relinquishment from one's seat due to conflict of interest:
- A. Should the accused or accuser be a member of the LJR Committee, said member will relinquish their voting and debating rights as a member of the LJR Committee on all matters relating to the Affidavit, until the charges are dismissed or until the conclusion of the Removal Hearing.
 - B. Should the LJR Chair be the Student Government Agent being accused of the violation, the Chair will temporarily step down from the Chair position during all matters relating to the impeachment Affidavit until the charges are dismissed or until the conclusion of the Removal Hearing.
 - C. Should a member of the LJR Committee be referenced in the Affidavit as being an involved party or witness to the offense, said member will relinquish their voting and debating rights as a member of the LJR Committee on all matters relating to the Affidavit, until the charges are dismissed or until the conclusion of the Removal Hearing.
- 702.3 Once the LJR Committee reaches the Affidavit Review section of the agenda, the entire Committee will immediately enter a ten (10) minute individual review of the Affidavit prior to any debate or discussion by the Committee.
- 702.4 Once the ten (10) minutes has expired, the LJR Chair shall introduce the Affidavit to the Committee. If necessary, the LJR Chair may extend the individual review time by up to ten (10) minutes with a majority vote of the committee.
- 702.5 At no time shall anyone outside of the Committee be permitted to speak or ask questions. Neither the accused nor the accuser will have the opportunity to speak or present new evidence during this preliminary review. The Committee may request statutory or procedural questions from the Attorney General. These questions may not be of a substantive matter.

- 702.6 The LJR Committee will determine whether the contents of the Affidavit fall within the jurisdiction of an impeachable offense and shall specify in an addendum to the Affidavit which provision(s) of the Student Body Constitution, Student Body Statutes, and/or Senate Rules may have been violated. While the individual filing the Affidavit may suggest potential violations within the Affidavit, the final determination on which provision(s) may have been violated shall be made by the LJR Committee.
- 702.7 Decision by the LJR Committee:
- A. If, after consideration, a majority of the LJR Committee present and voting find that the allegations have merit as being within the jurisdiction of an impeachable offense, the charges shall be brought to the floor of the Senate, under Miscellaneous Business, by the Chair of the LJR Committee.
 - B. If the LJR Committee votes down the allegations, the charges are dismissed.
 - C. A two-thirds (2/3) vote of the Senate may overturn LJR's decision to dismiss the charges.

Chapter 703 Impeachment Hearing

- 703.1 Once the LJR Committee has voted to move forward with the impeachment process, the Affidavit(s) will be presented at the next regularly scheduled Senate meeting following the LJR meeting.
- A. Should the Affidavit(s) in question be brought against the Senate President, the Senate President shall step down and the Senate President Pro Tempore will take the Chair during the portion of the Senate meeting.
 - B. Members that have relinquished their voting and debating rights as a member of the LJR Committee are permitted to debate and vote in the Impeachment Hearing. This conflict may allow for the Senator to abstain from voting if the Senator so chooses.
- 703.2 During the LJR report, the LJR Chair will read into the minutes the vote count and decision of the LJR Committee with regard to the Affidavit(s) but will not introduce the Affidavit(s) for debate until Miscellaneous Business.
- 703.3 Once the Senate meeting enters Miscellaneous Business, the LJR Chair will introduce the Affidavit(s) to the Senate and proceed with the Impeachment Hearing.
- A. The LJR Chair will review the definition of impeachable offenses with the Senate and will furnish the Senate with copies of the Affidavit(s). The LJR Chair will then move for a ten (10) minute individual review in which members of the Senate can review the Affidavit(s). If necessary, the Senate President may extend the individual review time by up to ten (10) minutes, with a majority vote of the Senate. This is a non-debatable motion.
 - B. After the ten (10) minute recess has ended, the Senate President will allow for the Senate to ask procedural questions of the LJR Chair concerning the impeachment process.
 - C. The Senate will then deliberate on the merits of the Affidavit(s) as being within the jurisdiction of an impeachable offense.
 1. Senators may not debate on the validity or plausibility of the Affidavit(s), nor may any additional evidence be presented or discussed.
 2. The debate that is permitted during this Impeachment Hearing is whether or not the Affidavit(s) has any basis of the accused having committed an impeachable offense.

- a. If there is a question as to additional evidence needed or some level of concern that there may be more to the Affidavit(s), the Senate should move to impeach the individual and allow for complete investigation during the Discovery Process.
 - b. If the Senate does not see substantial evidence or concern with regard to the alleged violations, or if the Senate does not find that the allegations warrant an impeachable offense, the Senate should move to dismiss the charges.
 3. At no time during the Impeachment Hearing shall anyone outside of the Senate be permitted to speak, with the exception of the Attorney General, who may be asked questions regarding statutory interpretation or procedure.
 - D. Once the Senate moves to vote on the Affidavit(s), the vote will determine whether the Senate believes that the Affidavit(s) warrants further investigation.
 1. Should the Senate conclude by majority vote that the Affidavit(s) does not warrant further investigation or does not fall within the jurisdiction of being an impeachable offense, the charges are dismissed.
 2. Should the Senate conclude by majority vote that the Affidavit(s) does warrant further investigation and does fall within the jurisdiction of being an impeachable offense, the accused is considered impeached, and the charges are moved forward to the Discovery Process and Removal Hearing.
 3. If the Affidavit which warrants further investigation is against an individual who holds any responsibilities within the Discovery and/or Removal Process, said individual shall be prohibited from performing any of these duties within the Discovery and/or Removal Process and the individual's duties shall be fulfilled by the order of succession dictated by the Student Body Constitution or Student Body Statutes.
- 703.4 If the Senate moves to continue with an investigation, the Senate President shall, within two (2) business days, set a date for the Removal Hearing, to be held no sooner than fifteen (15) business days and no later than twenty-five (25) business days from the Impeachment Hearing.
- A. If the charges are against the Senate President or the Senate President is unavailable, the Senate President Pro Tempore shall set the date for the Hearing.
 - B. Under such circumstances that charges are brought forth in the last four (4) school weeks of the semester or the Agent's term in office, a two-thirds (2/3) vote of the Senate may allow for the Removal Hearing to be held as soon as five (5) business days from the date it is voted on by the Senate.
- 703.5 Notification:
- A. The LJR Chair shall send the accused, via email, a "Notice of Hearing" within one (1) business day after the date and time of the Removal Hearing was set by the Senate President or President Pro Tempore. This notice shall include a copy of the charges, time and place of the hearing, a statement of their right to be at the hearing to defend themselves, a right to seek advisement from a Judicial Advisor, and the right to receive a copy of any transcript.
 - B. The LJR Chair shall also notify the student who submitted the impeachment Affidavit(s) of the hearing date and location as well as inform said student(s) of their right to consult with a Judicial Advisor or LJR Chair for any questions

on the procedure of the Removal Hearing. The Judicial Advisor that is assisting the accused may not be utilized by the accuser. The Attorney General may be of further assistance in interpreting Student Government Statutes and regulations.

- C. The LJR Chair, or Senate President upon written request of the LJR Chair, shall notify all parties, including but not limited to witnesses, advisors, or other Student Government Agents of the occasion, time, and place of the proceedings and shall:
 - 1. Direct all student parties to appear before the Removal Hearing at the time and place specified.
 - 2. Request all non-student parties to appear before the Removal Hearing at the time and place specified.
 - 3. The official "Notice to Appear" will not be considered valid without the signature of the Chief Justice or their designee.
- D. If a Student Government Agent chooses not to comply with a request by the Senate President or the LJR Chair to appear before the Senate, the Senate may subpoena the Student Government Agent by a majority vote. Failure by a Student Government agent to comply with a subpoena may result in the initiation of disciplinary action, which may include, but is not limited to, impeachment.

Chapter 704 The Creation of the Interview Director

- 704.1 The Interview Director position shall be created in the event that an individual is deemed impeached.
- 704.2 Whenever the Senate concludes by a majority vote to impeach an accused individual, the Interview Director position will automatically be created following the Discovery Process.
 - A. This position shall be appointed from the pool of students who are paying activity and service fees and are currently or continuously enrolled with the University of Central Florida who sit on the Student Conduct Board.
 - 1. Student Government Agents, contracted UCF employees as defined by Human Resources, Witnesses, the accused, and the accuser(s) shall not be eligible for the Interview Director position.
 - B. Within twenty-four (24) hours of the impeachment decision, the LJR Chair shall contact, in writing, all students of the Student Conduct Board and request students to apply for the Interview Director position.
 - 1. The first individual to respond to the LJR Chair and accept the position will be the Interview Director.

 - 2. The LJR Chair shall notify the Interview Director within twenty-four (24) hours of receiving the acceptance email.
 - C. If the selected Interview Director wishes to withdraw from their position, they must notify the LJR Chair within twenty-four (24) hours of notification of selection.
- 704.3 The Interview Director is responsible for holding all witness interviews pertaining to impeachments. The LJR Chair and Interview Director are to remain in close contact regarding the Impeachment Process.

- A. The Interview Director is responsible for attending all witness interviews, serving as the liaison between the LJR Chair and the witness interviews, maintaining appropriate and required contact with the accused, accuser(s), and witnesses, and completing all other statutory responsibilities pertaining to Impeachment Process.
 - B. The Interview Director shall use their designated University email as the primary method of written correspondence pertaining to the Discovery Process.
- 704.4 The Interview Director position will be automatically dissolved ten (10) business days following the decision of the Removal Hearing, unless an appeal is made.
- A. If an appeal is made, and the Judicial Council chooses not to hear the appeal or determines the student's rights were not violated, the Interview Director position will be automatically dissolved.
 - B. If an appeal is made, and the Judicial Council finds the student's rights were violated, the Interview Director position will remain in effect until the position is no longer statutorily needed. At this point the Interview Director position will be automatically dissolved.

Chapter 705 Discovery Process

- 705.1 Once the accused has been impeached, the LJR Chair shall begin the Discovery Process in preparation for the Removal Hearing.
- A. The LJR Chair and the Interview Director shall use their senate email and University email, respectively, as the primary mode of written communication.
 - 1. If this method of communication is not available or raises issues of any sort, the LJR Chair shall contact the individuals by phone in addition to sending further written communication.
 - B. When providing copies of documentation, the LJR Chair shall use the most applicable and prompt method of formatting and delivery.
- 705.2 The LJR Chair shall contact, in writing, the student(s) who submitted the Affidavit(s) as well as the accused requesting the submission of all tangible evidence that will be utilized during the Removal Hearing within twenty-four (24) hours of the accused being impeached. This evidence must be submitted within seventy-two (72) hours of being contacted by the LJR Chair.
- A. All such evidence will be provided to the accused to prepare for the individual's defense in a timely manner prior to the hearing, but no less than twenty-four (24) hours before the hearing.

1. Any evidence deemed irrelevant will not be presented at the Removal Hearing.
 2. All approved evidence shall be forwarded to the accused and the accuser(s) within forty-eight (48) hours prior to the Removal Hearing, but no less than twenty-four (24) hours before the Removal Hearing.

 - B. Only the witness and the Interview Director may be present at these appointments.
 1. Senators, the accused, and the accuser(s) shall not be present at any witness interview.
 - C. The Witness Interview appointments serve solely as fact-finding meetings in which the Interview Director may gather information needed for the Removal Hearing and are thus exempt from Florida Sunshine Law under the limited exemption applicability of Sunshine Law to advisory committees established for fact-finding only. This exception shall be waived under such circumstances as Florida Sunshine Law is changed and the exemption removed. A quorum is not needed at these appointments, as no official decision-making will take place.

- D. The Witness Interview appointments shall be audio recorded and the transcriptions will serve as evidence in the Removal Hearing.
1. The Student Government Advisor or Designee will have unlimited access to a copy of the recordings of each Witness Interview for the purposes of transcription and evidence.

The LJR Chair will proceed with roll call and will announce the number of Senators present at the hearing. Senators not present and voting at the time of the introduction of the charge(s) will not be allowed to participate in the Removal Hearing.
