 - i. [Resolution 56-01](#) [Resolution Advocating for the funding of Pre-Health Pre-Law Advising] [ELA Richmond] [0/0/0]
 - 1. Speech:
 - a. Richmond: These 2 pieces of legislation carried over from last session. I postponed the PHPL legislation to meet with them! the meeting was so insightful. we decided the best course of action would be myself reaching out to various rsos in the pre health and law realm to educate them on the changes to advising and how we could do better for students. following the meeting i found out that the one advisor for phpl had actually left, making this piece of legislation even more necessary. this piece of legislation advocates for the increase in funding of phpl advising so it can better serve the student body. i yield the rest of my time to questioning.
 - 2. Questioning:
 - a. Metellus: What kind of support will this legislation have?
 - i. Vasquez:

- ii. Richmond:
 - b. Al-Qudah: Is this major specific advising? After you would get your AA degree?
 - i. Vasquez:
 - ii. Richmond:
 - 3. Debate:
 - a. Beneche: I support this as a pre-med student, I would love to see more advising towards this effort.
 - b. Al-Qudah: I think this legislation is very well written, no mistakes, the need is very clear for major advising. It makes it very clear. This is a problem that is often overlooked. I understand the struggle of switching to major specific advising. I will be supporting this legislation.
 - c. Metellus: I will also be voting in favor, the author put a lot of effort into this, and has shown research and thought behind this. Fighting for a very important issue. I don't come from COS, but I don't personally understand the struggle, but I support students getting the help they need.
 - 4. Vote: **10/0/1 Passes First Reading**
 - ii. [Resolution 56-02](#) [Resolution Urging the University of Central Florida to Begin Phase II of The Center of Innovation in Arts and Entertainment] [ELA Richmond]
 - 1. Speech:
 - a. Richmond: The CAH legislation was a collaboration between myself and Paul Latronix, the CAH Associate Dean. This piece of legislation is seen almost every session and just advocates for the funding to finish the new building. The building changed names so it is more appealing to funding! This is a great initiative and CAH leadership is always so thankful for this! I yield the rest of my time to questioning.
 - 2. Questioning:
 - a. Metellus: I'm confused on what this is? What is the purpose of the building? What do people gain from it?
 - i. Hameed: Advocates for the hub, performance building, e-sports arena, dance space, expand where people in CAH can do their major specific things. They gave us a presentation a year ago for us, they had really great concept art for it.
 - b. Gimenez-Valero: Where is this going to be?
 - i. Hameed: Next to the theatre building, VAB, by garage I.

3. Please feel free to share any feedback you may have. Would love to hear any question ideas!
- iii. Academic advisors (Vasquez):
 1. Vasquez: Going to meet with Academic Success Department soon about what they've been working on, and how we can support their efforts during orientation, and towards the beginning of the Fall semester. A few weeks ago Jason and I met these new Advisors for colleges, I have their information, so I am planning on reaching out to them to get more information on what they do, and how their department is going to work, because it is new. I will also reach out to Chantel Carter to see what we can collaborate on for orientation because she heard about this and really wanted us to collaborate on it.
