 - ii) Caucus Summary
 - (1) The Sustainability Caucus is dedicated to fostering a proactive community focused on sustainability within our campus. Our mission revolves around three core focuses: Environmental, Social, and Economic. We are committed to creating an inclusive and empowering environment that promotes sustainable practices and policies for the benefit of current and future generations.

Guided by the Brundtland Commission's definition of sustainability, we aim to ensure that our actions contribute to a healthier, more resilient campus community for current and future

Knights. We advocate for educational opportunities that align with sustainability principles and support policies and services that enhance community health and well-being.

Passionate about the rights and success of all UCF students, we promote practices that secure the long-term health of our environment, society, and economy. Through education, advocacy, and community engagement, we strive to cultivate a culture of sustainability at UCF that benefits all members of our community.
