## UCF Student Government Inter-Campus & Transfer Caucus

- a. Hey everyone. Today should be a fairly short meeting. We will be finishing the resource list as well as hopefully decide upon a logo concept so I can let the speaker know.
  - b. I will be submitting all of the website updates to the ILA after this meeting or whenever the resource list gets completed
  - c. I had a meeting with UCF ConneXiones last week. We talked about the best ways for us to collaborate. I pushed them to heavily advertise the open senate seats and the SGLC program to incoming transfers which they agreed to, I just need to get them relevant flyers and infographics
7. Announcements from the Vice-Chair:  
Hi nothing from me for today. Just remember that we only have one more meeting until we have to take our two-week break so let's try to do as much as we can.
8. Announcements from Caucus Members:  
None
9. Announcements from Non-Caucus Members

10. Old Business:  
None
11. New Business:
- a. Resource List Finalization
    - i. [RSO and Agency Info Doc](#)

Varela: Take a look so we can finalize. I wanted to ask are we comfortable making this a document or do we want maybe a google sheet or a canva flyer?  
Vaquez: Other caucuses has relevant RSOs listed as a PDF and the links are active so I don't think its a problem but you can make it pretty if you want  
Varela: I might keep it and just make it prettier  
Varela: Motion for informal. Approved  
Varela: Back to formal 12:26pm
  - b. Logo Discussion
    - i. Last meeting we had an initial concept of the state of Florida with all the connect and satellite campuses linked to the main campus of UCF. Maybe also a paper airplane flying around
    - ii. Varela: Any new ideas? My thought was maybe it is too cluttered so maybe just a paper airplane flying around.
