- a. It says hello I'm currently in Europe for a trip. I've been planning for two years. In addition to a concert and touring some university. I might want to go to graduate school. I will be attending the Olympics as spectator as an event management. Major of the Olympics is something that I'm extremely interested in and would love to possibly work in the future. It is also used in many many examples throughout my classes with the time being so much I would have to be awake in the middle of the night initially I thought I could figure it out or just virtually but I can already tell that I'll be meeting this late. I know prior engagements are usually usually approved for absence request so I hope this falls under it. Please let me know if you need any more documentation the screenshot I'm submitting is for my flight from MCO to London, which starts with the chaos of my trip, which does not end until August 15 I thought about a sign over for the rest of the summer semester but nobody I know from Rosen wants to be a senator and generally Rosen students don't wanna be senators due to demanding internship requirements. Provided supporting documentation.
2. Questioning
  - a. ILA Al-Qudah: Just to clarify, All his request is for the reminder of the summer session?
    - i. Chair Courts: From July 11<sup>th</sup> until August 15<sup>th</sup>.
  - b. ILA Al-Qudah: Why can't it be a blanket excuse?
    - i. Chair Courts: Because it's for the whole meeting
3. Debate
  - a. ILA Al-Qudah: Yeah, I think this is a really amazing opportunity. I appreciate the fact that the senator submitted supporting documentation I'll be voting in favor, and I encourage ya'll to do the same.
4. Vote
  - a. 5-0-2, Absence block is approved
- vi. Tyler Borges
