1. Speech

- a. Henriques: also, in part of the Burnett honors college, so last executive session, I served as assistant supervise our elections and proud of the work we were able to accomplish last year so guys are familiar with last year in the set up. I actually generated it and it was anonymously submitted to EC and then voted for it is actually really fun to see the commissioners clean to the theme during the cleaning process for emotional materials merchandise and of course the southern style potato bar at the presidential debate, it was obvious such as rating, detailed, organizing the website and entering the entrance with the police station election and I assisted supervisor with miscellaneous task like giving a second opinion on anything reviewing and signing request forms and send the presidential debate. I'm so into the commission last year, I was new so I shared in front of the senate what I thought was the biggest improvement that he could work on which was UCF election awareness in general case students may not vote in the elections because they're unaware of the dates or the candidates involved in the campaign process, also within the best interest of EC to market elections encourage students to vote supervisor because there were a lot of students at the day election and had honestly never heard it before. Have suggestions not all of them to me. They're decided on the commission and also between Grace and I the intended outcome of this information exposure, and when we have more people voting, we kinda have like an election with integrity because the voting is more representative of the student solicit suggestions, and suggestions that could be improved upon that we never gonna pass that we should consider adding in the first semester I want to to table with BC I know we started doing that little fitness last year, but kind of wanna see more of a solidified task to get started, etc. I wanna generate a pamphlet registered for the federal election opportunity supervisor in spring for president necessarily have a partner and I think it would be nice to have a Q&A with the current private kind of interest and then make more and more populated, and then last idea was cross branch collaboration was sent on a
