 - i. **Chair Collazo:** I want to read minds. Tell if someone is lying.
 - ii. **Vice Chair Caringal:** I would want some like harry potter abilities to cast spells with wands.
 - iii. **Comptroller Cimillo:** If I could have any magical ability, it would definitely be the power to turn any awkward silence into a perfectly timed burst of confetti. Imagine being at a party, and suddenly someone says something super cringy—BOOM! Confetti everywhere! Not only would it break the tension, but it would also leave everyone wondering why they suddenly felt like they were at a birthday party. Bonus points if the confetti is shaped like cat's cute little ragdoll cats!!
 - iv. **Director Benitez:** I would want to have teleportation powers, so I would just POOF and I'm just in the new location. No jet lag, NOTHING!
