 1. Speech
 - a. Chair Courts: I've been dealing with really bad migraines for the past 2 days and really don't think I'm going to be able to come into Senate, especially since the Chambers and being on my computer for hours can trigger a migraine if I don't take ibuprofen in advance. I've been dealing with these migraines that have been impacting other areas of my life as well for the past couple of days and don't expect that I'll be able to sit through a full Senate meeting without either triggering another one or making an existing one worse.
