6. Announcements from the Chair:
 - a. Not much from me today. We should have a fairly short meeting today. Just some light reflection and plans for the future.

7. Announcements from the Vice-Chair:

Hey everyone, last meeting woo!! I wanted to say thank you for your hard work so far this semester, I look forward to hitting the ground running next semester. Not much progress on my initiative, still no response on the mentor sheet, and since spring admissions is already in progress it is too late to discuss with admissions. I did want to say that I sent out the transfer week proclamation to all the people and RSO's. Great feedback so far!! Everyone is loving it and sharing it around.

Greene: Since I have not been here for long I can not really speak much on my opinions. In terms of what we have done well I did like the tabling at Rosen and would like to see this expand to other campuses.

Varela: Yes I am happy with our Rosen progress. We have been able to put SGA in places where we usually don't go so I am happy Rosen knows we care.

Gumerov: I have a bit of guilt that we have not gotten lot done. We have done a lot with auxiliary campuses which is great but I don't know much about them so It's not my priority. I hope we can work more on transfer issues next semester.

b. Transfer Credit Evaluation Updates

i. Varela: Beneche and I have been talking to Brian Boyd, He is working on the memo and once we get it, we will turn it into a resolution.

c. Rosen Dining Updates

i. Varela: I will be having meetings with the Rosen dean every third Thursday of every month to stay in the loop and work on progress. Excited for this relationship.

d. Future Plans?

i. Varela: What do we want to continue: I think we should finish out the Rosen and credit initiatives. **Try to break down the wall that is FYE.**

ii. Greene: With the caps expansion, if we want to continue it we would need more input and collaboration with the College of Medicine.

iii. Varela: I do want to work on Lake Nona outreach. Focus on SGA voice for Med students.

iv. Gumerov: I think it would be helpful to have some events to share the Transfer Year Experience. Can work with SBA. Helps get the voice out there.

v. Varela: We want to continue our openness with auxiliary campuses.

vi. Gumerov: We have a bunch of events on campus and I want to make sure the auxiliary campus can experience them.

vii. Gumerov: work with other caucuses to figure out the future of caucuses.

viii. Greene: Lake Nona shuttles

ix. Gumerov: check if parking permits work for all campuses.
